I have owned and lived in my house at 2866 N. Summit Avenue for 33 years and am 79 years old. Used to walk to the many Downer Avenue shops and other businesses for all of those 33 years except the last one because a serious hip issue has made walking very painful. I thus drive that short distance now, and have always been able to find a parking space to the shops and other businesses I frequent. I'm afraid the addition of the 55-Unit Apartment will put an end to available parking.

Do I now pay for a taxi or Uber in order to keep patronizing these businesses, or take my business elsewhere?

Please---DO NOT allow the 55-Unit apartment building to be built in the 2600 block of Hackett Avenue.
