Ms. Dimitrijevic:

Please do not change the zoning for the 55-unit apartment building on the east side of the 2600 block of Hackett Avenue from RM3 to RM6. If you approve the zoning change, you will add to the racial segregation that Milwaukee continues to have. These expensive, market-rate apartments will keep out low-income residents, especially minorities. I and many of my neighbors recommend a 12- to 24-unit building that would be available to low-income people and still allow St Mark's Church a parking lot. What church doesn't need a parking lot? You must deny this huge leap from RM3 to RM6 that would continue to make the Downer Avenue neighborhood one of the most segregated in our city. Please take advantage of this opportunity to promote affordable housing on the East Side.

Sincerely,
Barbara Finch
