I'm a Milwaukee resident who has lived in many neighborhoods...

I think this building makes a lot of sense, and heck, maybe that's the next place I live!

The people that are reacting negatively to this are just stuck, I don't get it. This is a positive for the neighborhood! And it's a great neighborhood, so why be against making it even better?

Thanks for your time, I will see you at the meeting!

Malcolm Michiles
