2023 OPERATING PLAN SHERMAN PARK NEIGHBORHOOD IMPROVEMENT DISTRICT

I. INTRODUCTION

A. Background

In 2006, the State of Wisconsin signed into law the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement distric0000t statute.

The City of Milwaukee has received a petition from property owners which requests creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Sherman Park neighborhood area on Milwaukee's near west side (see Appendix B). The Sherman Park NID was created by the City of Milwaukee 2013 resolution #130620 and it first year of operation was 2014. The NID law requires that every district have an annual Operating Plan. This document is the Operating Plan for the Sherman Park Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The general boundaries for the Sherman Park Neighborhood Improvement District ("SP NID") are North Fifty-First Street to the west, North 38th Street to the east, West Burleigh Street to the north and West Meinecke Avenue to the south. For a specific boundary, see Appendix C.

Near the end of the nineteenth century and in the first decades of the twentieth, the area constituting the Sherman Park NID developed rapidly. That development proceeded from the southeast to the west and north as the Milwaukee city limits were extended westward beyond 35th Street to North 60th Street (Wauwatosa), and on the north to West Burleigh and beyond. Development was encouraged by extension of the street car lines to the west, the 1891 purchase of land well outside of City limits for Sherman Park itself, creation of Sherman Boulevard as part of the early plan to link city parks with landscaped boulevards, and by the construction of Washington High School in 1913 - quickly regarded as a premium institution throughout the region. Early aerial photos show that properties on Grant, a developer-created boulevard, and Sherman Boulevards tended to fill in later than properties on either side. Commercial development was concentrated along Lisbon and North Avenues and Center and Burleigh Streets.

Though blocks in the Sherman Park NID are on a fairly regular grid, street widths and lot sizes vary considerably. Lot sizes vary, ranging from 30' by 120' in the south and eastern areas and 50' by 130' on the west side of Sherman to 50' by 160' lots on a parallel stretch of blocks between Sherman and Grant Boulevards. Most properties west of 35th Street are said to constitute automobile suburbs in that the

provision for private garages to store personal vehicles was an automatic feature. Of these, many were built to match the style and materials of the home. Home construction has ranged from clapboard-sided frame and stucco or wood shingle over brick (bungalow styles) to all brick veneer or lannon stone. To date, there are few apartment buildings. The primary forms of housing in the NID are single family residences and unit over unit duplexes.

Many homes in the NID have architectural merit and were frequently individually designed by architects. These are most likely, though not exclusively, found on the 2500 block on North 47th Street, Sherman Boulevard, and Grant Boulevard which are all on the Milwaukee Historic Registry as well as the National Historic Register. Improvements in these latter districts are eligible for Preservation Tax Credits.

The SP NID is also home to a number of businesses and institutions including Hadley Terrace, the Mary Ryan Boys & Girls Club, and Washington High School.

C. Principal Office

The Principal Office and Registered Office of the SP NID shall be the Sherman Park Community Association, 3526 West Fond du Lac Avenue, Milwaukee, WI 53216.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D. The description in Section I. B is a general description of the boundary; the actual boundary is depicted on Appendix C and the actual properties included are listed in Appendix D. In the event of a discrepancy, Appendix D shall control. The SP NID may update Appendix D during each annual Operating Plan. The Boundaries are herein referred to as "SP NID Area."

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the SP NID is to (a) provide assistance to homeowners and (b) to fund community improvement projects in order to eliminate blight, stabilize the housing stock, and otherwise enhance the SP NID.

B. Proposed Activities

Principle activities to be engaged in by the district during this year of operation will include:

1. Assistance to Homeowners

a. Create a grant fund ("Grant Fund") which will provide financial assistance to home owners in the SP NID Area through modest grants (e.g. \$50 - \$5,000 each) to make the following improvements to their properties: energy efficiency improvements, repairs to increase water conservation, repairs to the structural condition of the property (including roof

repairs), safety improvements (including lighting, fencing and garages), plumbing, electrical, and heating improvements, repairs that are essential for bringing properties into compliance with city building codes and repairs to increase the curb appeal of property ("Improvements").

b. The Board of Directors of the SP NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

2. Fund Community Improvement Projects

- a. Sustain the work of existing neighborhood organizations, including, but not limited to, Hadley Residents Council, the Sherman Park Community Association, Uptown Crossing, and the 38^{th} to 41^{st} Street Block Group.
- b. Each neighborhood organization, block club, or group of residents shall develop a work plan that includes community improvement projects which may include, for example, advertising material for the neighborhood, providing resource materials to residents, hosting community events, beautification projects, etc.
- c. Projects will be funded to the extent funds are available by action of the SP NID Board of Directors.

Pursuant to the NID Statute, defined below, the local legislative body does not authorize the board to own real property in this operating year, but the Operating Plan may be amended in the future to allow for such ownership.

C. Proposed Expenditures

Proposed Budget attached as Appendix E. The SP NID Board of Directors shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Financing Method

It is proposed to raise approximately \$204,600 through SP NID assessments (see Appendix D). Funds may also be pursued from foundations and other available resources. The SP NID may seek private financing for programming secured by this year's or future operating years of the SP NID. The SP NID Board of Directors shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

E. Organization of NID Board

Upon creation of the SP NID, the District shall hold annual meetings to elect Directors to the Board consistent with terms of this subsection and the bylaws of the SP NID. The Board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of SP NID assessments.

State law requires (a) that the board be composed of at least five directors and that a majority of the board directors be owners or occupants of property within the district and (b) the local legislative body must set the time and place for a meeting at which directors of the board will be elected, and shall publish a class 2 notice under Ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

It is recommended that the SP NID Board be structured and operate in accordance with the Bylaws, which is consistent with the following:

- 1. <u>Board Size</u>: Minimum of seven (7) directors and up to nine (9) directors.
- Composition: The Board shall consist of individuals who own or occupy residential property or mixed-use property (i.e. property with both commercial and residential uses). A minimum of 2/3 of the Directors shall be homeowners (owner-occupants) or residents that live within the SP NID.
- 3. <u>Term:</u> Terms for the members of the board shall be for a period of one year. Directors may be re-elected.
- 4. <u>Compensation</u>: None
- 5. Meetings: The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings. The Board shall meet regularly, at least once every 3 months. A total of at least five (5) Board Members must be present for quorum in order for official decisions to be made. All meetings of the Board's affairs shall be kept pursuant to public records requirements.
- 6. <u>Staffing and Office</u>: The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.
- 7. Method of Electing Directors to District Board: An annual meeting at which directors of the Board will be elected shall be held on the first Tuesday of February of each year of the District's existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or

occupy real property within the District are eligible to serve on the Board and vote at the election.

8. <u>Changes</u>: Any change in the Board size, composition or election methodology must be approved by a two-thirds (2/3) majority of the entire Board.

F. Relationship to other Organizations:

The SP NID shall be a separate entity from the Sherman Park Community Association (SPCA), notwithstanding the fact that members, officers and directors of each may be shared. The SPCA shall remain a non-profit organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the SP NID Board. The SPCA may and, it is intended, shall contract with the SP NID to provide services to the NID in accordance with this Plan.

IV. METHOD OF ASSESMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the SP NID in proportion to the benefit derived from the SP NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the SP NID.

Therefore, a fixed assessment of \$50 per dwelling unit was selected as the basic assessment methodology for properties in the SP NID. Mixed-use properties and multi-family dwellings (residences with two or more dwelling units) shall be assessed \$50 per unit to a maximum of \$500. Properties in the area which fall within pre-existing Business Improvement Districts (BIDs) are omitted from the SP NID.

Maintaining an equitable relationship between the SP NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 2019, the property in the proposed district had approximately 2,656 parcels with a total of assessed value of approximately \$188,805,000. Appendix D shows the projected SP NID assessment for each property included in the district.

The assessment assigned to each parcel based on this formula is herein referred to as "SP NID Assessment." Any SP NID Assessments related to a previous year or years may not be contested. Any SP NID Assessment related to this Operating Plan may only be contested prior to approval and adoption of this Operating Plan by the City Council.

B. Excluded and Exempt Property

The NID Statute requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided.

1. In accordance with the interpretation of the City Attorney regarding Wis. Stats. Section 66.1110(7)(a), property exempt from general real estate taxes has been excluded from the District. Owners of tax exempt property adjoining the District and expected to benefit from District activities will be asked to make a financial contribution to the District on a voluntary basis. Those tax exempt properties adjoining the District which are later determined no longer to be exempt from general property taxes shall automatically become included within the District and subject to assessment under any current operating plan without necessity to undertake any other act.

V. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Sherman Park neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

- 1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
- 2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
- 3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
- 4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.

- 5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
- 6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

- 1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
- The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the
 proposed Operating Plan to all owners of real property within the proposed district. In addition
 a Class 2 notice of the public hearing will be published in a local newspaper of general
 circulation.
- 3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
- 4. The Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
- 5. The Common Council will act on the proposed NID Plan.
- 6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
- 7. If approved by the Mayor, the NID is created.

B. Termination of the NID

The City may terminate the Neighborhood Improvement District if, one of the following occurs:

- a) The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.; or
- b) The owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.; or
- c) The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan fail to file a

petition with the planning commission to continue the neighborhood improvement district within one year of the date on which the membership of the board changes from a majority which represents commercial properties to a majority that represents residential properties, or vice versa.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the SP NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions.

Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the NID law.

In later years, the SP NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This SP NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional, its decision will not invalidate or terminate the SP NID and this SP NID Operating Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

VII. Contraction with SP NID

Any contracting with the SP NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the SP NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required

under Sec 66.608 (3)(c) Wis. Stats. shall be deemed to fulfill the requirements of Sec 62.15 (14)Wis. Stats. The SP NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The SP NID may provide grant support to organizations that include the cost of staff; however, the SP NID shall not have employees directly and shall contract with a responsible third party for any administration of grant funds.

66.1110 Neighborhood improvement districts. (1) In this section:

- (a) "Board" means a neighborhood improvement district board elected under sub. (4) (a).
- (b) "Chief executive officer" means a mayor, city manager, village president, or town chairperson.
- (c) "Local legislative body" means a common council, village board of trustees, or town board of supervisors.
 - (d) "Municipality" means a city, village, or town.
- (e) "Neighborhood improvement district" means an area within a municipality consisting of nearby but not necessarily contiguous parcels, at least some of which are used for residential purposes and are subject to general real estate taxes, and property that is acquired and owned by the board if the local legislative body approved acquisition of the property under sub. (4) (d) as part of its approval of the initial operating plan under sub. (3) (e).
- (f) "Operating plan" means a plan adopted or amended under this section for the development, redevelopment, maintenance, operation, and promotion of a neighborhood improvement district
- (g) "Owner" means the owner of real property that is located within the boundaries, or the proposed boundaries, of a neighborhood improvement district.
- (h) "Planning commission" means a plan commission under s. 62.23 or, if none exists, a board of public land commissioners or, if none exists, a planning committee of the local legislative body.
- (2) An operating plan shall include at least all of the following elements:
- (a) The special assessment method applicable to the neighborhood improvement district.
- (b) The kind, number, and location of all proposed expenditures within the neighborhood improvement district.
- (c) A description of the methods of financing all estimated expenditures and the time when related costs will be incurred.
- (d) A description of how the creation of the neighborhood improvement district promotes the orderly development of the municipality, including its relationship to any municipal master plan.
- (e) A statement as to whether the local legislative body authorizes the board to own real property and, if so, a description of the real property to be owned, the purpose of the ownership, and a statement of to whom the real property will be transferred if the neighborhood improvement district is terminated.
- (f) A legal opinion that pars. (a) to (e) have been complied with.
- (3) A municipality may create a neighborhood improvement district and adopt its operating plan if all of the following conditions are met:
- (a) An owner of real property subject to general real estate taxes and located in the proposed neighborhood improvement dis-

trict designated under par. (b) has petitioned the municipality for creation of a neighborhood improvement district.

- (b) The planning commission has designated a proposed neighborhood improvement district and adopted its proposed initial operating plan.
- (c) At least 30 days before creation of the neighborhood improvement district and adoption of its initial operating plan by the municipality, the planning commission has held a public hearing on its proposed neighborhood improvement district and initial operating plan. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice, together with a copy of the proposed initial operating plan and a copy of a detail map showing the boundaries of the proposed neighborhood improvement district, shall be sent by certified mail to all owners of real property within the proposed neighborhood improvement district. The notice shall state the boundaries of the proposed neighborhood improvement district and shall indicate that copies of the proposed initial operating plan are available from the planning commission on request.
- (d) Within 30 days after the hearing under par. (c), one of the following has not filed a petition with the planning commission protesting the proposed neighborhood improvement district or its proposed initial operating plan:
- 1. The owners of property to be assessed under the proposed initial operating plan having a valuation equal to more than 40 percent of the valuation of all property to be assessed under the proposed initial operating plan, using the method of valuation specified in the proposed initial operating plan.
- 2. The owners of property to be assessed under the proposed initial operating plan having an assessed valuation equal to more than 40 percent of the assessed valuation of all property to be assessed under the proposed initial operating plan.
- (e) The local legislative body has voted to adopt the proposed initial operating plan for the neighborhood improvement district. The local legislative body shall publish a class 2 notice under ch. 985 regarding the meeting at which the local legislative body will vote on whether to adopt the proposed initial operating plan for the neighborhood improvement district. Before publication, a copy of the notice shall be sent by certified mail to all owners of real property within the proposed neighborhood improvement district.
- **(4)** (a) 1. If the local legislative body adopts the proposed initial operating plan under sub. (3) (e), it shall determine the size of board, which shall consist of at least 5 members, all of whom shall own or occupy real property in the neighborhood improvement district.
- 2. The number of board members who represent commercial and residential property, respectively, shall be set by the local legislative body, as closely as possible, in the same proportion as is the aggregate valuation of commercial property in the neighborhood improvement district to the total assessed value of all property in the district, and the aggregate valuation of residential property in the district to the total assessed value of all property in the district
- 3. The local legislative body shall set the time and place for a meeting at which members of the board will be elected, and shall publish a class 2 notice under ch. 985 that contains this information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.
- 4. At the meeting, the individuals who own or occupy real property shall be divided into 2 groups. One group shall consist of those individuals who own or occupy commercial property, and one group shall consist of those individuals who own or occupy residential property. Each group shall elect from among its members the number of board members set to represent its group by the local legislative body under subd. 2.
- 5. Board members elected under subd. 4. shall serve a one year term, and may be reelected. Annually, the number of board members who represent commercial and residential properties,

66.1110 MUNICIPAL LAW

based on the calculation described in subd. 2., may be reallocated by the local legislative body to the greatest extent possible to be consistent with the proportion described under subd. 2.

- 6. Annually, board members shall be elected under the procedures contained in this paragraph. If a vacancy occurs during the term of a board member, an individual shall be elected to fill the unexpired term of the member under the procedures contained in this paragraph.
- (b) The board shall annually consider and may make changes to the operating plan, which may include termination of the plan, for the neighborhood improvement district. The board shall then submit the operating plan to the local legislative body for its approval. If the local legislative body disapproves the operating plan, the board shall consider and may make changes to the operating plan and may continue to resubmit the operating plan until local legislative body approval is obtained. Any change to the special assessment method applicable to the neighborhood improvement district shall be approved by the local legislative body.
- (c) The board shall prepare and make available to the public annual reports describing the current status of the neighborhood improvement district, including expenditures and revenues. The report shall include an independent certified audit of the implementation of the operating plan obtained by the municipality. The municipality shall obtain an additional independent certified audit upon termination of the neighborhood improvement district.
- (d) Either the board or the municipality, as specified in the operating plan as adopted, or amended and approved under this section, has all of the powers necessary or convenient to implement the operating plan, including the power to contract.
- **(4m)** A municipality may annex territory to an existing neighborhood improvement district if all of the following conditions are met:
- (a) An owner of real property subject to general real estate taxes and located in the territory proposed to be annexed has petitioned the municipality for annexation.
 - (b) The planning commission has approved the annexation.
- (c) At least 30 days before annexation, the planning commission has held a public hearing on the proposed annexation. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice, together with a copy of a detail map showing the boundaries of the territory proposed to be annexed to the neighborhood improvement district, shall be sent by certified mail to all owners of real property within the territory proposed to be annexed. The notice shall state the boundaries of the territory proposed to be annexed.
- (d) Within 30 days after the hearing under par. (c), one of the following has not filed a petition with the planning commission protesting the proposed annexation:
- 1. The owners of property in the territory to be annexed that would be assessed under the operating plan having a valuation equal to more than 40 percent of the valuation of all property in the territory to be annexed that would be assessed under the operating plan, using the method of valuation specified in the operating plan.
- 2. The owners of property in the territory to be annexed that would be assessed under the operating plan having an assessed valuation equal to more than 40 percent of the assessed valuation of all property in the territory to be annexed that would be assessed under the operating plan.
- (5) All special assessments received from a neighborhood improvement district and all other appropriations by the municipality or other moneys received for the benefit of the neighborhood improvement district shall be placed in a segregated account in the municipal treasury. No disbursements from the account may be made except to reimburse the municipality for appropriations other than special assessments, to pay the costs of audits required under sub. (4) (c) or on order of the board for the purpose

- of implementing the operating plan. On termination of the neighborhood improvement district by the municipality, all moneys collected by special assessment remaining in the account shall be disbursed to the owners of specially assessed property in the neighborhood improvement district, in the same proportion as the last collected special assessment.
- **(6)** (a) Subject to pars. (b) and (c), a municipality shall terminate a neighborhood improvement district if one of the following occurs:
- 1. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
- 2. The owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.
- 3. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan fail to file a petition with the planning commission to continue the neighborhood improvement district within one year of the date on which the membership of the board changes from a majority which represents commercial properties to a majority that represents residential properties, or vice versa, as described under sub. (4) (a) 3.
- (b) 1. A petition may not be filed under this subsection earlier than one year after the date on which the municipality first adopts the operating plan for the neighborhood improvement district.
- 2. On and after the date on which a petition is filed under par. (a) 1. or 2., or on and after the date on which a petition must be filed under par. (a) 3., neither the board nor the municipality may enter into any new obligations by contract or otherwise to implement the operating plan until the expiration of 30 days after the date of the hearing under subd. 3. and unless the neighborhood improvement district is not terminated under par. (c).
- 3. Within 30 days after the filing of a petition under par. (a) 1. or 2., the planning commission shall hold a public hearing on the proposed termination. Within 30 days after the deadline for filing a petition under par. (a) 3. passes, the planning commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice, together with a copy of a detail map showing the boundaries of the neighborhood improvement district, shall be sent by certified mail to all owners of real property within the neighborhood improvement district. The notice shall state the boundaries of the neighborhood improvement district and shall indicate that copies of the operating plan are available from the planning commission on request and are posted in the building in which the municipality's governing body regularly holds its meetings.
- 4. Within 30 days after the date of the hearing under subd. 3., every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under par. MUNICIPAL LAW 66.1113

- 3., that the owner requests continuation of the neighborhood improvement district under subd. 3.
- (c) After the expiration of 30 days after the date of the hearing under par. (b) 3., and after adding any additions and subtracting any retractions under par. (b) 4. and 5., the municipality shall terminate the neighborhood improvement district on the date on which the obligation with the latest completion date entered into to implement the operating plan expires if the owners who have signed the petition requesting the termination of the neighborhood improvement district under par. (a) 1. or 2. constitute the required groups specified in par. (a) 1. or 2., or if an insufficient representation of owners, as described under par. (a) 3., petition to continue the neighborhood improvement district under par. (a) 3.
- (7) (a) 1. Except as provided in subd. 2., any parcel of real property used exclusively for less than 8 residential dwelling units and real property that is exempted from general property taxes under s. 70.11 may not be specially assessed for purposes of this section.
- 2. In a 1st class city, real property that is exempted from general property taxes under s. 70.11 may not be specially assessed for purposes of this section.
- (b) A municipality may terminate a neighborhood improvement district at any time.
- (c) This section does not limit the power of a municipality under other law to regulate the use of or specially assess real property.

66.1111 Historic properties. (1) Definitions. In this section:

- (a) "Historic property" has the meaning given under s. 44.31 (3).
- (b) "Political subdivision" means a city, village, town or county.
- **(2)** ACQUISITION OF PROPERTY. A political subdivision may acquire by gift, purchase or condemnation any property right in historic property, whether the property is real or personal.
- **(3)** OWNERSHIP, USE AND DISPOSITION OF PROPERTY. (a) A political subdivision may preserve or rehabilitate any historic property which it owns, construct buildings on that property, own and maintain that property for public purposes or lease or convey that property.
- (b) If a political subdivision leases to another person historic property, the political subdivision shall include provisions in the lease which protect the historic character and qualities of that property. If the political subdivision conveys historic property, the political subdivision shall obtain a conservation easement under s. 700.40 to protect the historic character and qualities of the property.
- **(4)** CONSIDERATION OF EFFECTS ON HISTORIC PROPERTIES. (a) In the earliest stage of planning any action related to the following, a political subdivision shall determine if its proposed action will affect any historic property which is a listed property, as defined under s. 44.31 (4), or which is on the list of locally designated historic places under s. 44.45:
 - 1. Long-range planning for facilities development.
 - 2. Any action under sub. (3).
 - 3. Razing any historic property which it owns.
- (b) A political subdivision shall notify the state historic preservation officer of any proposed action which it determines under par. (a) would affect any historic property.
- **(5)** GRANTS. A political subdivision may make grants of funds to any public or private entity for the purpose of preserving or rehabilitating historic property.

Independent Auditor's Report

Board of Directors Sherman Park Neighborhood Improvement District No. 4

Opinion

We have audited the accompanying financial statements of Sherman Park Neighborhood Improvement District No. 4 (a nonprofit organization) which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sherman Park Neighborhood Improvement District No. 4. as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sherman Park Neighborhood Improvement District No. 4 and to meet other ethical responsibilities in accordance with the ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sherman Park Neighborhood Improvement District No. 4's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Sherman Park Neighborhood Improvement District No. 4's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sherman Park Neighborhood Improvement District No. 4's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Sherman Park Neighborhood Improvement District No. 4's December 31, 2020, financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 10, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE A - Summary of Significant Accounting Policies

Organization

Sherman Park Neighborhood Improvement District No. 4 ("NID") was created by the City of Milwaukee pursuant to S.66.1110 of the Wisconsin State Statutes. The law enables cities to establish neighborhood improvement districts for the purpose of providing residents with the opportunity to improve their neighborhoods and to establish an assessment method to fund these activities. The Sherman Park Neighborhood Improvement District No. 4 was created with the specific purpose of providing a financing mechanism to further promote the success of the neighborhood as determined by the residents of the Sherman Park area on Milwaukee's north side.

Home Improvement Grant Program

Residents of the Sherman Park area may submit applications for consideration of funding of various home improvement projects.

The Home Improvement Grant Program provides qualifying home owners within the Neighborhood Improvement District boundaries an alternative means to help pay for home improvement projects for personal residences. The maximum available grant is \$5,000 per qualifying homeowner, and certain matching provisions may apply dependent upon the income level of the applicant. In addition, eligible owner-occupants may be awarded up to \$5,000 over the course of five years. The owner-occupant must wait five years to again be eligible to receive funds.

Community Improvement Grant Program

The Community Improvement Grant Program was established in order to help keep up with the general maintenance of the Sherman Park area. This includes, but is not limited to, such projects as the installation of raised garden beds, improved lighting to normally dark alleys, general surveillance around the neighborhood and back-to-school programs.

Program Administration

The majority of the NID's expenses are paid to Sherman Park Community Association, the acting service provider for the NID. Sherman Park Community Association is responsible for administering the Home Improvement Grant Program and Community Improvement Grant Program. For its administration of these programs, the NID pays the Sherman Park Community Association 20% of the yearly assessment fee received.

The NID advances funds to the Sherman Park Community Association which are then used to disburse grant funds on behalf of the NID. Amounts advanced that exceed expenses incurred are included in prepaid expenses within the financial statements.

Accounting Method

The financial statements of the NID have been prepared on the accrual basis of accounting.

Basis of Presentation

The NID reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

NOTE A - Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Advanced Funds – Sherman Park Community Association

Advanced Funds – Sherman Park Community Association includes funds advanced to the Sherman Park Community Association that exceeded the amount of project costs incurred. Such funds are expected to be used to fund future period project costs.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. Contributions are considered available for the NID's general programs unless specifically restricted by the donor. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increase net assets without donor restrictions. Conditional promises to give are not recognized until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated whence the barrier is not overcome. Amounts received for which the donor has limited the use of the asset or designated the gift as support for future periods are considered restricted support and included in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. When the restriction on a contribution is met in the same reporting period as the contribution is received, the contribution is reported in net assets without donor restrictions.

Net assets restricted for acquisition of building or equipment are reported as net assets with donor restrictions until the specified asset is placed in service which the net assets are released to net assets without donor restrictions.

When a donor requires the investment of a contribution and restricts the use of investment income, the investment income is reported as net assets with donor restrictions until appropriated for the designated time or use when the net assets are released to net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the NID. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

NOTE A - Summary of Significant Accounting Policies (continued)

Government Grants and Contract Revenue

Government grants and contract revenue are recognized when earned. Revenue is earned when eligible expenditures, as defined in each grant, contract or other allowable cost manual, are made. Any cash received for revenue not yet earned is considered to be deferred revenue. Revenue earned but not yet paid to the NID is included in grants receivable. Expenditures under government contracts are subject to review by the granting authority. To the extent, if any, that such review reduces expenditures allowable under these grants or contracts, the NID records the disallowance at the time the final assessment is made. Management believes that disallowances, if any, would not have a significant effect on the financial statements.

Functional Expenses

The NID allocates costs directly to program, management, or fundraising whenever possible. If a cost benefits more than one program or function, the NID estimates the portion of the cost attributable to each program or functional and allocates it as such. Program costs are those costs incurred to carry out the mission of the NID. Management costs are those costs to administer the programs and other overhead costs such as administration, accounting, or board activities.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - Future Accounting Pronouncements

Accounting Standards Update 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958) will be effective for fiscal years beginning after June 15, 2021. The amendments in this update are required and provide new presentation and disclosure requirements about contributed nonfinancial assets to nonprofits, including additional disclosure requirements for recognized contributed services. Contributed nonfinancial assets will be required to be reported as a separate line in the statement of activities. A financial statement note will be required to provide disaggregated contributed nonfinancial assets by category including: the type of contributed nonfinancial asset; qualitative information about the monetization or utilization of the nonfinancial assets; the policy about the monetization or utilization of nonfinancial assets; a description of restrictions, valuation, and the market used to determine the fair value. The amendments, required to be presented retrospectively to all periods presented, will not change the recognition and measurement requirements for those assets.

Accounting Standards Update 2016-02, Leases (Topic 842) will be effective for fiscal years beginning after December 15, 2021. This update requires the recognition of lease assets and lease liabilities on the statement of financial position measured at the present value of lease payments and requires disclosure of key information about the leasing arrangements.

NOTE B - Future Accounting Pronouncements (continued)

Accounting Standards Update 2020-08, Receivables – Nonrefundable Fees and Other Costs (Topic 310-20) will be effective for fiscal years beginning after December 15, 2021. The amendments in this update represent changes to clarify the codification. An organization shall apply the amendment prospectively. This amendment impacts the effective yield of an existing individual callable debt security.

Accounting Standards Update 2016-13, Financial Instruments - Credit Losses (Topic 326) will be effective for fiscal years beginning after December 15, 2022. The main objective of this update is to provide financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. To achieve this objective, the amendments in this update replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, including exploring more forward-looking alternatives.

NOTE C - Liquidity

The NID receives funds from the City of Milwaukee within the first quarter of the calendar year. Those funds are typically adequate to cover the annual operating expenses. Liquid financial assets are those assets available for use within one year from the statement of financial position date to pay for general operating expenses or obligations as they become due. The NID has \$61,330 of financial assets available for use consisting of cash and cash equivalents. In addition, accounts receivable includes \$34,678 advanced to Sherman Park Community Association that can be used to pay for NID projects in 2022 or subsequent periods.

NOTE D - Concentration of Revenue

The NID receives property assessment income from the City of Milwaukee. The NID's operations rely on the availability of these funds. All of the NID's revenue was from the City of Milwaukee for the year ended December 31, 2021.

NOTE E - Assessment Income

In order to provide revenues to support the NID's mission, the Common Council of the City of Milwaukee enforced an assessment on the property located within a specific area of the NID. The assessment is calculated based on a fixed amount of \$50 for residential properties.

NOTE F - Expense Reconciliation

NOTE G - Tax Status and Income Taxes

As a neighborhood improvement district, the NID is considered to be part of the City of Milwaukee and is covered under the City of Milwaukee's tax reporting requirements.

NOTE H - Subsequent Events

The NID has evaluated events and transactions occurring after December 31, 2021, through September 7, 2022, the date the financial statements are available to be issued, for possible adjustments to the financial statements or disclosures. The NID has determined that the following subsequent event needs to be disclosed:

On March 11, 2020, the World Health Organization declared the outbreak of the novel coronavirus (COVID-19) a pandemic. The outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses and facilities. There continues to be significant uncertainty about the impact the pandemic. No adjustments have been included in relation to possible impact to the financial statements, if any.

Sherman Park Neighborhood Improvement District No. 4 2439 N. 46th Street Milwaukee, WI 53210

In planning and performing our audit of the financial statements of Sherman Park Neighborhood Improvement District No. 4 for the year ended December 31, 2021, we considered the NID's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit we became aware of the following matters that are opportunities for strengthening internal controls and operating efficiency:

- 1. Proposed adjustments from the 2020 audit were not posted into the accounting system to record the carryover of funds and accounts payable that are determined based on the annual project reconciliation and documentation review. It is recommended that year end proposed entries that were previously provided for review also be posted to the accounting system.
- 2. The Organizations bank reconciliation, statement and financials are not regularly reviewed by someone other than the treasurer, who maintains the books. As a best practice, the financials and banking information should be reviewed by a second person to have monitoring controls in place.
- 3. The Organization did not pay any insurance during 2021. It is recommended the Organization seek advice to determine appropriate insurance coverage.
- 4. The NID has an carryover balance from prior years of which the NID and Sherman Park Neighborhood Association do not agree on the balance. It is recommended the carryover be determined as appropriate or considered for write off.

This letter does not affect our report dated September 7, 2022, on the financial statements of Sherman Park Neighborhood Improvement District No. 4.

We will review the status of these comments during our next audit engagement. We have already discussed these comments and suggestions with various NID personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

To the Board of Directors
Sherman Park Neighborhood Improvement District No. 4

We have audited the financial statements of Sherman Park Neighborhood Improvement District No. 4 for the year ended December 31, 2021 and have issued our report thereon dated September 7, 2022. Professional standards require that we provide you with the information about our responsibilities under *Generally Accepted Auditing Standards* as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 21, 2022.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Sherman Park Neighborhood Improvement District No. 4 are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the audit year. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

• Management's determination of the carryover of NID Project Funds is based on a project tracking.

We evaluated the key factors and assumptions used to develop the estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

To the Board of Directors Sherman Park Neighborhood Improvement District No. 4 Page Two

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. A material adjustment to the opening balance of the account advanced funds - Sherman Park Community Association was proposed for \$40,018 and an adjustment for current year activity to reduce the advance by \$5,340 was proposed through audit fieldwork.

Disagreements With Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 7, 2022.

Management Consultations With Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Directors and management of Sherman Park Neighborhood Improvement District No. 4 and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

RITZ HOLMAN LLP

NID Mission:

The Sherman Park Neighborhood Improvement District's (SP NID) primary mission is to provide an opportunity for residents to improve their neighborhood. The SP NID provides resident home owners with the means to gather funds by leveraging our neighborhood's many assets. The social and monetary capital gathered by the NID is directed towards promoting the success of the neighborhood as determined by its residents.

2022 Summary:

The past year has been busy for the Sherman Park Neighborhood Improvement District (SP NID). Due to a speedy turnaround on our funding this year, we had an early start for both the Home Improvement and the Community Improvement grant programs in an effort to hit the late spring construction season and maximize the effectiveness our neighborhood's resources. On February 1st of 2022 the ninth annual meeting of the SP NID was held virtually for the first time. An election was held to fill all nine seats on the board of directors with the charge of continuing to guiding the efforts of the Sherman Park NID. A slate of homeowners, residents, and non-resident property owners were nominated and from this group the SP NID board of directors was selected. By unanimous decision, the board again selected the Sherman Park Community Association to continue administering the highly successful SP NID Home Improvement and Community Improvement programs. Once the NID received its funding from the City of Milwaukee the money was immediately put to use as a catalyst to improve the neighborhood.

The following paragraphs explain the Home Improvement and the Community Improvement programs in greater detail and provide examples of the program's effectiveness in leveraging neighborhood assets.

Home Improvement Grants:

The Sherman Park NID Home Improvement Grants were made available beginning on April 9th of 2022. A notice was sent to each homeowner in the NID area announcing the kick-off. Homeowners could begin signing up at the Sherman Park Annual Home Resource Fair on that day, which included other programs, resources, and contractors.

The Home Improvement Grants are up to \$5,000 with a sliding scale determining the match the homeowner is responsible for. Low-income homeowners (under 50% CMI) were not required to contribute a match outside of the initial \$50 assessment; homeowners with incomes between 50% and 120% CMI contributed a match of 25%; and those with incomes exceeding 120% CMI contributed a 50% match. Any costs over the \$5,000 grant were paid by the homeowner.

Forty seven homeowners received grants so far. The total amount of grants given out was over \$115,000 that leveraged an additional \$120,000 of homeowner funds. An additional \$20,000 is committed to residents who are still currently making repairs and improvements. This puts the total up to \$255,000 in total home improvements over the course of the year.

Before and After Exterior Repair

There is an additional \$11,000 in an Emergency Repair Reserve Fund that is for non-functioning furnaces during the winter months. These funds are available beginning on October 1st.

The NID home improvement program benefits Sherman Park residents in many ways by:

- Providing funding for repairs and improvements that keep homes well maintained.
- Proactively addressing repairs before they turn into major repairs.
- Assisting with emergency repairs, i.e. furnace, water heater, to be done quickly.
- Assisting low and moderate income homeowners in making repairs and improvements they might not be able to afford.
- Improving the appearance of homes in the neighborhood
- Reinforcing commitment for homeowners to stay in the neighborhood and the city.
- Stabilizing and increasing property values.
- Home Improvement Program incentives leverage additional private investment by homeowners participating in these programs.

Before and After Porch Repair

Community Improvement Grants:

The Community Improvement Projects funded a back-to-school event that was organized by the 2800 block of North 36th Street. The event was to encourage neighbor's fellowship with each other. This year many of our typical community building and back to school events were postponed due to COVID 19 concerns, but the board was able to dedicate an additional \$20,000 grant for the refurbishment and improvement of the Washington High School track. This track is not only used by the high school student for everyday academic uses and extracurricular activities, but it is also heavily utilized by our neighbors for daily exercise which is especially important this year when extra caution is needed for indoor activities.

Other CIP funds are earmarked for neighborhood street signage along Sherman Boulevard. Sherman Boulevard is a vital and busy transportation corridor through our neighborhood. Given the boulevards prominence we are studying permanent metal street signage to promote a positive Sherman Park vision and neighborhood branding.
