To the Public Works Committee

Subject: Common Council Resolution File Number 100703

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 100703, being a resolution to grant a special privilege to Ken Elliot's Inc d/b/a Dukes on Water and Scooters Pub for storm enclosures and cigarette butt disposal bins in the public right-of-way for the premises at 1207 North Water Street, also known as 158 East Juneau Avenue.

Ken Elliot's Inc d/b/a Dukes on Water and Scooters Pub is requesting permission to construct and maintain three storm enclosures in north, variable width sidewalk area of East Juneau Avenue in order to provide shelter for patrons to smoke outside of the premises. A site visit revealed the presence of four cigarette disposal bins located within the aforementioned storm enclosures. It should be noted that there is more than the required five feet available for pedestrian traffic adjacent to the storm enclosures.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works

Art Dahlberg, Commissioner
