			The two programs we are seeking renewed funding for include the Roadside Farmstand and U-Pick Food Forest at our Farm. These programs provide free produce to the Harambee neighborhood and surrounding communities where access to nutritious food is minimal.	
Victory Garden Initiative	Capital	\$ 16,298.50	By The Block, LLC, DBA Farm 2 Fork, is the re-imagining of the fresh mini-market concept within a low-income and underserved Milwaukee community. Located at 3000 N. 22nd Street, Milwaukee, WI 53206, our resurrection of the mini-market model provides community members access to fresh organic food options without having to travel up to 7-10 miles outside of their neighborhood.	6
			SHERMAN PARK GROCERY - Provide fresh produce and highly nutritious foods with affordable access to the residents of the Sherman Park neighborhood in Milwaukee, Wisconsin	
By The Block LLC	Both	\$25,000.00		7
DQ Investments	Capital	\$50,000.00		7
Healthy Food Movement Unlimited	Education	\$5,000.00		7
			The Veggie Chop Shop (VCS) is an annual four-five month community meal program that uses freshly gleaned produce to create nutrient-rich meals for people living in shelters or in food insecure situations. It promotes healthy eating and reduces food waste while creating a meaningful experience for volunteers and education for those learning culinary skills.	
Tikkun Ha-Ir of Milwaukee	Education	\$5,000.00		7
			The Take & Make Meal Kits purpose is to go above and beyond traditional food pantry hunger relief tactics by focusing on fresh food access and instruction on how to prepare healthy meals and make healthy choices
