File Nos. 220489 & 220490. Consistency with the Comprehensive Plan.

Downtown Area Plan

- "Encourage new entertainment uses to complement the existing corridor of large venue sites by locating[them] primarily along Old World Third and 4th Street south of Juneau."
- Efforts to reconnect the street grid should be made; if motor vehicle connections are not possible, pedestrian connections should be made at a minimum.
- The proposal is consistent with the GPD zoning, which was previously determined to be in compliance with the recommendations of the Downtown Plan.
