Ref: 11010

Common Council
City of Milwaukee

Subject: Introduction of Substitute Ordinance Relating to Registration of Vacant Buildings

Dear Honorable Members:

Please introduce by title only a substitute ordinance for File 100639 at the February 8, 2011, Common Council meeting.

The intent of the file is to provide recommended changes to the existing ordinance pertaining to the registration of vacant buildings, which the Mayor indicated he would do in his January 5, 2011 letter to the Common Council regarding his signing of File 100639.

The Administrative objective is to have any potential proposed changes to the ordinance in place for consideration during the cycle that begins following the March 1 meeting of the Common Council.

Respectfully submitted,

Mark Nicolini
Budget and Management Director
