Department	Amount of Transfer		
Account Name	From	То	Reason for Transfer
HEALTH DEPARTMENT  Birthing Moms Pilot  Operating Expenditures	\$150,000	\$150,000	The Health Department has experienced several setbacks expending their ARPA allocation for 2022 due to stricter-than-anticipated requirements in the Final Rule on use of funding released in May, creating a projected shortfall in their operating budget. The Birthing Moms Pilot was able to leverage carryover funds from 2021 and thus does not need their full operating allocation for 2022.
DPW-OPERATIONS DIVISION Salaries & Wages Operating Expenditures	\$2,000,000	\$2,000,000	DPW-Operations was allocated \$3,096,000 in APRA funding to offset fuel costs in 2022. Funds are unable to be used for the original purpose due to clarifying information from the Treasury.  DPW-Operations has since used operating funding to cover fuel costs while charging salaries to ARPA. Due to this change in funding sources, DPW-Operations will require a salary transfer to offset operating expenditures.
