

1. Describe the proposed ordinance or resolution. File number: _____

The proposed resolution is the acceptance of the 2022 BJA COSSAP grant. Award number from USDOJ is 15PBJA-22-GG-04454-COAP.

2. Identify the anticipated equity impacts, if any, of this proposal.

M-DROP has a specific focus on a variety of cultures and demographics. Specifically, the program will be working with communities of color in the 53204, 53206, 53215 zip codes.

3. Identify which minority groups, if any, may be negatively or positively impacted by the proposal.

This program will work to positively impact Black populations in bridging the gap between overdose survival, harm reduction, resource access, public health and much more. This program will also work with Hispanic populations to translate materials to represent a wider audience.

4. Describe any engagement efforts with minority communities potentially impacted by the proposal.

We will be working with community agencies within the hot spots of overdoses to partner in collecting and disseminating the data to the public. For example, we will be working with the community partner, Samad's House, in the 53206 zip code.

5. Describe how any anticipated equity impacts of the proposal will be documented or evaluated.

We will be using demographic data in our development of targeted areas.

6. Describe strategies that will be used, if any, to mitigate any anticipated equity impacts.

We do not anticipate any negative equity impacts.
