

Love My Milwaukee & ARPA Update

COMMUNITY MEETINGS

Our residents are the **heart** of this city and we want to hear from you throughout February.

In celebration of **Valentine's Day**, tell us the priorities you care about and what matters most to you in Milwaukee.

WEAR THE LOVE

In-person meeting attendees will receive a free lapel pin!

Refreshments will also be available.

While supplies last.

How you can help and share the love:

The City of Milwaukee has received millions from the federal government to help our community. Learn more about how ARPA (American Rescue Plan Act) dollars are working for you. We'd also like to hear your thoughts on how you think the City's remaining dollars should be spent. How would you like to see ARPA funds used to solve issues and improve your neighborhood?

Get updates and give us your input! Join us at an in-person meeting or attend a virtual meeting:

- Saturday, **February 4** from 10:00 a.m.-noon
- Riverworks, 526 E. Concordia Ave.

Post on social media with #LoveMyMKE:

- Share **your own photos** or the **digital Valentine graphics** (available for download online).
- Tell us what you love about Milwaukee and what's working right.
- Or tell us what we're lacking and needs improvement.
- Share your ideas on how we can all work collectively to enjoy a brighter future together!
- Valentines and photos posted on social media using the hashtag will be shared with the mayor and local council members to help **raise awareness** about the importance of funding city government services with community input.
