

Love My Milwaukee Campaign & ARPA Update Toolkit

Our residents are the heart of this city and we want to hear from you throughout February. In celebration of Valentine's Day, tell us the priorities you care about and what matters most to you in Milwaukee.

The City of Milwaukee has received millions from the federal government to help our community. Learn more about how ARPA (American Rescue Plan Act) dollars are working for you. We'd also like to hear your thoughts on how you think the City's remaining dollars should be spent. How would you like to see ARPA funds used to solve issues and improve your neighborhood?

Below are links to a series of resources to help make the #LoveMyMKE campaign a success. If you have more questions, please email pruizc@milwaukee.gov or chklose@milwaukee.gov.

About ARPA - American Rescue Plan Act

On March 11, 2021, President Joe Biden signed into law the American Rescue Plan Act (ARPA). The money available for residents and local initiatives is unlike any previous federal program. It gives us a chance to improve lives, solve problems, and profoundly change efforts city government is making to address our challenges in a manner that puts racial equity and inclusion front and center.

The City of Milwaukee has been allocated approximately \$394.2 million in direct ARPA assistance. It is the city's goal to use the funds to enable the city and community to recover from the pandemic, address the needs of residents, families and neighborhoods hardest hit by the pandemic, and put our city on a path to a strong, inclusive and equitable recovery.
