RE: 3277 N 49th St.
(Address of property in question)

Under ch. 68, Wis. Stats., s. 320-11 of the Milwaukee Code of Ordinances, this is a written petition for appeal and hearing.

I am appealing the administrative procedure followed by Dept of Neighborhood Service
(Name of City Department)

Amount of the charges \$ 1,016.00

Charge relative to: Vacant Building Inspection

I feel the City's procedure was improper due to the following reasons and I have attached any supporting evidence, including city employee's names/dates which I spoke to regarding this issue and copies of any city orders received:

The property was fire damaged were I had to repaired everything without Insurance. I inherited the property from my elderly mother who was unable to manage the property. I wasn't aware of any of these charges being place on property. I talk to different people in Neighborhood Service and was never told about these charges (Vacant Building Registration)
