Re: Request for Transfer of Position Authority

Dear Committee Members:

The Department of Emergency Communications would like to request the position authority of (167) 911 Dispatchers, and (13) Emergency Communications Supervisor positions to be transferred from the Police Department, Technical Communications Division, to the Department of Emergency Communications. The intent of this transfer will be for payroll processing as the Milwaukee Police Department will maintain management control of personnel until a full consolidation transfer occurs. The purpose of the position authority transfer is to allow DEC staff to changeover the duties that are performed by MPD staff as it relates to dispatching and telecommunications in a phased approach during the consolidation.

We are therefore requesting that (167) 911 Dispatchers, (13) Emergency Communications Supervisors positions, to be transferred to the DEC for administrative purposes. The Department of Emergency Communications and the Milwaukee Police Department has signed and agreed to a "Memorandum of Understanding," which outlines the purpose and intent of the transfer.

Please amend the 2023 Positions Ordinance, effective pay period 7, to transfer the following positions:

Dept./Position Title

Department of Emergency Communications	Add
• 911 Dispatcher (5IN)	167
• Emergency Communications Operator Supervisors (1GX)	13

Dept./Position Title

Police Department	Delete
• 911 Dispatcher (5IN)	167
• Emergency Communications Operator Supervisors (1GX)	13

Sincerely,

Suzanne DeFillips
Interim Director
