INC." for "Turmeric Indian Cafe & Bar" at 1014 N Van Buren St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

KAUR, Paramjit, Agent Turmeric Indian Cafe & Bar at 1014 N Van Buren St Class B Tavern, Food Dealer and Sidewalk Dining License Applications

Wednesday, March 29, 2023 at 9:20 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 3/29/2023 at 9:20 AM in Room 301-B, Third Floor, City Hall. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel — Channel 25 on Spectrum Cable — or on the Internet at http://city.milwaukee.gov/citychannel. Those wishing to provide oral testimony via phone or internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

- 1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
- 2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
- 3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
- 4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
- 5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

- 6. You may then provide testimony.
- a. Include only information relating to the above license application.
- b. Include only information you have personally witnessed or seen.
- c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
