Chair Dimitrijevic and esteemed members of the committee,

The Milwaukee Health Department's priority is always to the health, wellness, and safety of the Milwaukee community. Our work and commitments are guided by those principals. The Mayor's decision to move the Office of Violence Prevention to the Department of Administration will provide additional grant and procurement support. This support will expand on the work of Director Hamilton's vision for OVP. MHD is committed to working with Preston and Ashanti to ensure that the transition ensures continued growth of OVP and safety of all Milwaukeeans.

Unfortunately, I had previously committed to attending the Wisconsin Public Health Association Annual Conference in Madison. As such, I will not be available for the file on the potential move of OVP. I can make myself available in the coming weeks to discuss further if needed.

Respectfully,

**Mike Totoraitis, PhD**
