Waliszewski, David A 015966

05/07/2023

On Saturday, October 8, 2022 at 3:09P, my partner (P.O. Damon WILCOX) and I were dispatched to a subject with gun complaint at 2707 W. Burleigh St, Gas Depot. Upon arriving, everything appeared normal in the store and the clerk was attending to customers waiting in line. While waiting to speak with the clerk, P.O. WILCOX began having a casual conversation with what appeared to be a customer in the store. The clerk then opened the door and handed us a phone indicating the owner was on the phone. At no time did the clerk appear alarmed or indicate the subject with gun might have been in the store. We were directed to go to the Chicago Subs shop located directly west of the Gas Depot by the owner. After arriving at the Chicago Subs the cashier eventually gave P.O. WILCOX a phone earpiece indicating the owner was on the phone. The owner indicated the subject with gun was the male P.O. WILCOX was speaking to at the Gas Depot however did not provide further information. P.O. WILCOX and I returned to the Gas Depot and located the male still in the store. The male was unarmed and refused to identify himself. The clerk did not provide us any further information at this time. As a result, the male was asked to leave the store. After the male left the store, the clerk approached us and indicated the male we were speaking with had hid the something in the back of the store. I checked the back storage area and located a tan and black handgun in a juice box. The gun was recovered and later inventoried at the district, MPD inventory #22037134.

All employees at the location were very cooperative.

Street to investigate a theft complaint. The Manager Nishan SINGH informed officers an unknown black female customer was inside the store on the listed day and did intentionally take a single canned beverage "Rip It" Energy drink valued at \$1.25. SINGH stated he was able to see the female put the can in her purse on his interior surveillance camera. SINGH stated he confronted the female while working behind a glass window that separates him from the customers. He stated the female denied taking the can. He stated there was a black male subject with her who attempted to pay for the can and the female did not allow him. He stated she did show him a spray can he suspected was possibly pepper spray. SINGH stated the female appeared to be defensive and started yelling profane language at him. She then stated she would use it on him for wrongfully accusing her of stealing. He stated she did not spray him but did leave the store without paying for the can and while leaving knocked over several 2 liter bottles of soda. SINGH stated no merchandise was damaged and she left without further incident. At the time of this report the female was not identified. SINGH did provide officers with a still photo of the female to assist with any identification. SINGH instructed officers to relay to the female if she is identified that he did not want her to patronize his store in the future.
