Ald. Marina Dimitrijevic
Chair, Finance and Personnel Committee
City Hall, Room 205
200 East Wells St.
Milwaukee, WI 53202

Dear Ald. Dimitrijevic:

Historically, the Common Council – City Clerk’s Office has staffed a part-time lobbyist position (Intergovernmental Policy Manager – Senior), working on behalf of the Common Council and in collaboration with the Department of Administration – Intergovernmental Relations Division.

Recently, to provide more capacity for responding to the Council’s needs, the City Clerk’s lobbyist position was upgraded from part-time to full-time.

To still better improve the Common Council’s ability to make its voice heard, and to have greater influence when negotiating with local, state and federal officials and stakeholders, we respectfully request that a currently vacant Intergovernmental Policy Manager position be transferred from the Department of Administration – Intergovernmental Relations Division to the Common Council – City Clerk’s Office. This change would result in the City Clerk’s Office and the Department of Administration each having two lobbyist positions.

Sincerely,

Jim Owczarski
City Clerk
