Room 205
Milwaukee, WI 53202

Dear Members of the Common Council:

On behalf of the Amani Community, we the residents and organizations request and support the ordinance introduced by Alderman Khalif Rainey to rename North 24th Street(s) from Keefe Avenue to West Center St. Dr. Carter Drive.

The untimely passing of Dr. Carter is a tremendous loss for our community. Dr. Carter was not only a pioneer in the field of healing and medicine but also a brother, father, grandfather, and friend who inspired, motivated, and literally sacrificed his life in the pandemic by fiercely serving our community as a first responder and front-line worker.

In memory of this great man, it is our hope that his dedication and commitment to serve be the catalyst for continuous healing, growth, and revitalization of the Amani Neighborhood. Those of us who knew Dr. Carter and have experienced his love and grace know that we can never make up or replace his significance or importance.

What we would like to do is properly honor him and allow for his memory, legacy, and life work to never be forgotten and live on by memorializing our brother and friend through the request to change the street name in honor of this great man. Therefore, we of the Amani community humbly ask that Alderman Rainey's ordinance to rename North 24th Street(s) from Keefe Avenue to West Center St. Dr. Carter Drive be granted.

Yours in Service,

Maricha Harris
