Racial Equity & Inclusion

- Commitment to neighborhood-based voting
- In-Person Absentee Voting locations determined through an equity lens to ensure access and convenience across the city, especially in underserved communities who do not utilize by-mail voting but need flexibility
- Workforce recruited and assigned within own neighborhood
- Aldermanic District registration and participation statistics still reflect severe gap between Districts 8, 12, and 15 compared to the rest of the City
 - Partnership with community organizations in those areas in order to increase civic engagement
