Permits Issued

In 2021, the Department processed 909 permits. This number increased substantially in 2022, up to 1,317 permits. As of August 2023, the Department has issued 754. Assuming the pace remains consistent throughout the year, 2023’s final total for issued permits will likely be between 2021 and 2022’s figures, at roughly 1,100.

DPW REI Career Development Training Series

As a part of ongoing REI efforts, the department is beginning a Department of Public Works Racial Equity and Inclusion Career Development Training Series. The training series implemented its first component – a resume building workshop - and plans to hold future trainings focusing on interviews and civil service hiring in collaboration with DER.

Special Funds

There are no special funds for DPW-Admin in the 2024 Proposed Budget.

Compete Milwaukee / MilWORKee

The former Compete Milwaukee program no longer exists. DPW-Admin is working with Employ Milwaukee and other City departments to leverage state and federal funds and opportunities to off-set salary costs, training costs, and other services formerly provided by the program.

DPW’s MilWORKee partnership with Wisconsin Community Services aims to create pathways for temporary employees to gain regular civil service positions. A large portion of these employees are in DPW-Sanitation.
