MFD 2024 BUDGET

Mission Statement

The Milwaukee Fire Department is committed to protecting the people and property within our city. We will be responsive to the needs of our citizens by providing rapid, professional, humanitarian services essential to the health, safety, and well-being of the city.

We will achieve our mission through prevention, education, fire suppression, emergency medical, and other emergency services.

We will actively participate in our community, serve as role models, and strive to effectively and efficiently utilize all of the necessary resources at our command to provide a quality of service deemed excellent by our citizens with “Courage, Integrity, and Honor.”

...KEY PERFORMANCE MEASURES

Maintain ongoing performance metrics, including:

- Maintain fire deaths at 5% below national average.
- Achieve 95% recovery rate from penetrating trauma.
- Achieve and sustain a 30% contact rate for referred Mobile Integrated Health clients.
- Conduct 25,000 community risk reduction visits annually in residential properties in high-risk neighborhoods.

Enhance inclusion and equity in the department, and increase diversity within fire cadet classes, fire recruit classes, and promotional opportunities.

Actively engage the City's diverse communities to strengthen relationships, while expanding the department's reach with safety and prevention messaging.
