<u>Subtotal</u>	<u>\$4,679,444</u>

This amendment further adds \$1,000,000 in new borrowing to Capital Improvements for squad cars in the Police Department.

## **BACKGROUND**

1. The One Milwaukee Citizen-Led Transformation Fund Special Purpose Account (SPA) was created in the Mayor's 2024 Proposed Budget in the amount of \$5 million with funds made available by the substitution of unallocated and reprogrammed American Rescue Plan Act funds, which were used in departmental budgets. This funding is intended to be allocated by the Common Council for programs that uplift the residents of Milwaukee and transform the community by strengthening support to residents most in need.
2. The Common Council – City Clerk has 15 unfunded Legislative Services Aide auxiliary positions, which serve the purpose of filling in for Legislative Assistants in their absence. Legislative services are crucial to the functioning of each Common Council member's office. This fill-in work can be performed by funding six 0.5 FTE's.
3. Illegal dumping has been an ongoing problem in the city's qualified census tracts. A dedicated special fund in the Common Council – City Clerk's office could provide funding to purchase cameras to record violators of the illegal dumping ordinance as a measure to provide deterrence and improve compliance.
4. In 2023, the Election Commission offered 7 early voting locations for the Spring Primary and Elections. In 2024, there will be 4 elections: Spring Primary, Spring Election/ Presidential Preference, Partisan Primary, and General Election. The Election Commission has identified 6 early voting sites for both 2024 spring elections and the Partisan Primary. It has identified 10 early voting locations for the General Election. Two dedicated early voting sites, with one at Milwaukee Area Technical College and one at University of Wisconsin – Milwaukee, could enable the voters with the highest early-voting turnout to have fair access to early voting in the Spring Presidential Primary election in April, 2024.
5. The Library briefly offered partial Sunday hours in 2011 at Central and 2 branch libraries. It has been several years since the Library has had Sunday hours, although this service is among the most requested library services by residents.
6. The Housing Authority of the City of Milwaukee (HACM) is responsible for construction, management, and provision of safe, affordable, and quality housing with services that enhance residents' self-sufficiency. Its principal funding source is the federal government through various programs administered by the U.S. Department of Housing and Urban Development (HUD). HUD provides an operating subsidy to help offset the difference between the expenses associated with managing public housing and the revenues received from 30% of residents' income (rental revenue). Since March of 2023, advocacy group Common Ground has been calling for an investigation of HACM relating to safety and living conditions inside HACM properties, which have deteriorated.
7. A "soft room" is a dedicated space for victims of domestic violence to make a report. The Police Department has one dedicated soft room contracted at Sojourner Family Peace Center. It is a less rigid setting for the victim with a couch, with a more comfortable atmosphere than a police station, which is used for high-risk cases of

domestic violence, including felonies, stalking, intimidation, or sexual assault related cases.

- 8.** The Lead-Paint Abatement Loans Special Purpose Account – Miscellaneous is modeled after the STRONG Homes Loan Program, which offers loans to owner-occupants of 1-4 family properties throughout the city on a first come, first served basis. It is a repayable loan with a deferred payment option available to home owners who are low income and elderly or disabled. These loans can also be used for emergency and essential repairs. This new SPA is established to assist good-faith landlords with lead-paint abatement and is to be administered by the Department of Administration – Community Development Grants Administration.
- 9.** The Commercial Corridor Investment Program Capital Improvements Account is administered by the Department of City Development to provide financial and business assistance to businesses and commercial property owners interested in renovating their buildings. The program was established to enhance the physical appearance of commercial buildings in the City’s commercial corridors. The funding for these programs revitalizes the community by investing in local businesses that enrich the local economy.
- 10.** As part of the City’s dedication to combat reckless driving and commitment to environmental infrastructure and sustainability, the Department of Public Works – Infrastructure has approximately 10 miles of protected bikeways that are expected to be completed in 2024. The goal is to reach 50 miles of protected bikeways by 2026.
- 11.** The cost of installing traffic-calming features, such as speed humps, is paid primarily by property owners through special assessment charges.
- 12.** The High Impact program was first funded in 2013. The program originally targeted streets that have high traffic volumes and which serve commercial or employment corridors. The goal was to expedite street improvements that would have an immediate benefit to adjacent businesses and prolong the lives of pavement that is still in fair condition. In 2015 High Impact improvements became a significant portion of DPW’s pavement improvement strategy for local streets. There are no special assessments associated with High Impact projects. Streets in the High Impact program are improved using an asphalt overlay. Projects can be estimated and bid in a short amount of time. Because there is very little curb removal, the projects have a minimal impact on street lighting and traffic control facilities. Projects are typically constructed in a few days, minimizing impacts on businesses and traffic patterns.
- 13.** The Scattered Sites Sidewalk replacement program in the Department of Public Works – Infrastructure Services Division has a backlog of 5 years. Contractor capacity would allow for a decrease in that backlog if funding were provided.
- 14.** The Department of Public Works – Operations Division, Forestry section has a significant backlog associated with the cycle of removing hazardous trees, grinding the stump, and planting new trees. This cycle is essential for a healthy urban canopy, which is key to environmental sustainability, reducing heat islands, and improving air quality and overall health of residents. During Budget hearings for the Mayor’s 2024 Proposed Budget, DPW – Operations, Forestry stated that the

bottleneck in its tree replacement cycle is primarily due to a need for increased stump grinding. Additionally, the tree trimming schedule is extended beyond a reasonable timeframe, allowing overgrowth of branches to block out light from streetlights. More frequent pruning should decrease street-lighting costs.

15. Swing Park is located beneath Holton Street Bridge at the east end of the marsupial bridge, which provides pedestrian and bicycle access between the business district on the south and a residential area on the north. The park is under renovation during construction on the Holton Street Bridge. The Department of Public Works is in conversation with the Milwaukee Parks Department and residents to re-envision the best use of the park for the neighborhood.
16. The Damages & Claims Special Purpose Account in the City Attorney's Office has been historically funded at \$1,225,000 since 2014. Any damages and claims that exceed funding in the account are typically paid out of the Contingent Fund. The Mayor's 2024 Proposed Budget funds this account at \$3,000,000 – an increase of \$1,775,000.
17. The Police Department was provided \$3.6 million for Police Vehicles in its Capital Improvements account in the 2022 Adopted Budget, and expended \$1.8 million of that funding in 2022. In 2023, it was provided \$4 million in new borrowing for police vehicles in the Adopted Budget, and the Mayor's 2024 Proposed Budget again funds the Police Department with \$4 million for the purchase of 60 squad cars.
18. On October 6, 2023, the Comptroller issued a letter containing a revised estimate of anticipated revenue. This letter contained recognition of an additional \$20,000, which could be used to offset the cost of the programs in this amendment.

## **DISCUSSION**

1. This amendment spends \$2.6 million of the One Milwaukee Citizen-Led Transformational Fund SPA on crucial community projects. A balance of approximately \$2.4 million will remain in this SPA for additional citizen-led transformational projects. Expenditure of the remaining funds in this SPA will be determined by the Finance and Personnel Committee, using Area Deprivation Index principles and a Request for Proposals process, which will be administered by the Department of Administration – Community Development Grants Administration Division.
2. This amendment adds funding for two dedicated early voting sites, with one located at the University of Wisconsin – Milwaukee, and the other at Milwaukee Area Technical College for the Spring Presidential Primary election in April, 2024.
3. The intent of the funding for the Library in this amendment is to establish a pilot program providing Sunday hours. The intention is for Central to be open from January through December, 2024, from 1 p.m. to 5 p.m. every Sunday. Two other branches will be open Sundays from 1 p.m. to 5 p.m. starting July 1, 2024.
4. This amendment will provide position authority for 5 dedicated HACM inspectors in the Department of Neighborhood Services, with funding for 2 of those positions. The

intent is to fund the remaining 3 positions with re-inspection fees charged to HACM, if additional positions are needed and fees are sufficient to pay for the positions.

5. The funding in this amendment will allow the Police Department to contract for 2 additional soft rooms, with one located on the North side and one on the South side.
6. The \$750,000 Lead-Paint Abatement Loans Special Purpose Account – Miscellaneous is created with the intent of assisting good-faith landlords with lead-paint abatement.
7. This amendment adds funding to expedite improvements to bike infrastructure.
8. This amendment adds \$500,000 to the Capital Improvements traffic calming projects to be administered by the Department of Public Works – Infrastructure to offset the loss of special assessment revenue that may result from offsetting special assessment charges for residents requesting installation of traffic-calming features.
9. The addition of \$500,000 to the High Impact program by the amendment should allow for the improvement of approximately 1 additional mile of streets.
10. This amendment adds \$250,000 in cash levy to the Capital Improvements fund for Street Improvements – Sidewalk, Driveway Curb and Gutter – Replacement account. The intent is to use this funding for the Scattered Site Sidewalks to decrease the backlog in the sidewalk replacement program.
11. This amendment adds \$250,000 in funding to the stump grinding program to facilitate quicker replacement of trees and \$250,000 to the tree pruning program for healthier trees. Dedicate \$50,000 of this funding to a forestry apprenticeship program to be managed in consultation with Northcott Neighborhood Association. The expectation is that there will be a \$50,000 match from the Community Development Block Grant.
12. This amendment adds \$100,000 in funding to the Capital Improvements MKE Plays Initiative, administered by the Department of Public Works, to be dedicated to improvements to the Swing Park.
13. This amendment uses \$1,100,000 of the increased funding in the Damages & Claims Special Purpose Account.
14. This amendment decreases the funding for squad cars in the Police Department by \$1 million and adds \$1 million in new borrowing to Capital Improvements for squad cars in the Police Department.
15. This amendment adds funding to:
  - a. Create six 0.5 FTE's in the Common Council – City Clerk for a fill-in pool. \$ 76,000
  - b. Create a Special Fund in the Common Council – City Clerk to purchase cameras for recording illegal dumping. \$ 50,000
  - c. Establish two dedicated early voting sites for the Election Commission. \$ 10,000

The amendment increases \$250,000 of cash levy support to Production & Planting Program-Trees, Shrubs, Evergreens - Paving Sidewalk Construction & Blvd Plantings, with the intention to dedicate \$50,000 of this funding to a forestry apprenticeship program to be managed in consultation with Northcott Neighborhood Association with the expectation that there will be a \$50,000 matching grant from the Community Development Block Grant. This amendment increases \$250,000 of cash levy support for the Stump Removal program. This amendment increases debt service by \$25,000. This amendment expends the \$20,000 in increased revenue already recognized by the Comptroller.

This amendment adds a footnote to the Department of Administration directing the Department to promote the One Milwaukee Citizen-led Transformational Fund Special Purpose Account to the philanthropic community for possible contributions.

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to approve said legislation, the footnote has no impact.

**BACKGROUND**

1. The One Milwaukee Citizen-Led Transformation Fund Special Purpose Account (SPA) was created in the Mayor’s 2024 Proposed Budget in the amount of \$5 million with funds made available by the substitution of unallocated and reprogrammed American Rescue Plan Act funds, which were used in departmental budgets. This funding is intended to be allocated by the Common Council for programs that uplift the residents of Milwaukee and transform the community by strengthening support to residents most in need.

**DISCUSSION**

1. This amendment adds a footnote to the Department of Administration directing the Department to promote the One Milwaukee Citizen-led Transformational Fund Special Purpose Account to the philanthropic community for possible contributions.
2. A resolution may be required to effectuate the intent of this footnote.

**EFFECT**

The footnote will have no effect on the budget, the tax levy, or the tax rate.

This footnote directs the Department of City Development (DCD) and Assessor's Office to work with the Department of Administration, Mayor's Office, and other relevant parties to redesign the City's PILOT program. DCD and the Assessor's Office shall present the finalized plan to the Common Council

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to pass said legislation, the footnote has no impact.

**BACKGROUND**

1. Wisconsin law defines properties eligible for tax exemption. Owners of properties that meet the legal criteria for exemption are not required to pay local property taxes.
2. Under state law, exempt property owners may choose to make a "payment in lieu of taxes", or PILOT.
3. These payments acknowledge that, while tax exempt owners are not required to pay taxes, they nevertheless benefit from local government services they receive, and choose to support through the PILOT payment.
4. Currently, the City has a number of PILOT agreements, including agreements with the Housing Authority of the City of Milwaukee, Milwaukee School of Engineering and Wisconsin Center Development.
5. Despite the City's current portfolio of PILOT agreements, the program remains under-utilized, particularly when compared to programs in cities like Boston.

**DISCUSSION**

This footnote directs the Assessor's Office, Department of City Development, Department of Administration and the Mayor's Office to review the City's Payment in Lieu of Taxes program, and prepare a plan to be presented to the Common Council for revamping the program.

DEPARTMENT OF ADMINISTRATION – OFFICE OF EQUITY AND INCLUSION	+\$150,000	+\$150,000	+\$0.004

**AMENDMENT INTENT**

This amendment adds \$150,000 to the Equity and Inclusion Special Fund in the Office of the Director in the Department of Administration. The intent of the amendment is to provide funding for Direct Connect MKE and to fund with revenue recognition by the Comptroller.

If revenue is not recognized, levy will be impacted as stated.

**BACKGROUND**

1. The Direct Connect MKE (DCMKE) is a platform designed to connect unemployed and underemployed young adults and Millennials in Milwaukee’s emerging neighborhoods with vital information on job training, job support, and job placement opportunities.
2. Direct Connect MKE is managed by the Office of Equity and Inclusion (OEI).
3. On December 18, 2018, the Common Council Adopted Resolution File Number 181286, directing the Department of Employee Relations and the City Clerk’s Office to cooperate with all City departments to increase utilization and effectiveness of the Direct Connect MKE platform.
4. The resolution expressed the Council’s position that the Direct Connect MKE platform has been underutilized by City departments in connecting Milwaukee youth with meaningful employment opportunities.
5. OEI has proposed to use \$500,000 to fund the following aspects of Direct Connect MKE:
  - a. \$354,272 to fund active DCMKE network agency members in their recruitment, intake, assessment referral and placement of job seekers. Active agencies would receive grants between \$40,000 and \$100,000.
  - b. \$83,200 to retain 4 part-time community liaisons from underserved neighborhoods to promote opportunities through DCMKE.
  - c. \$56,912 for marketing DCMKE.
  - d. \$5,616 for mileage reimbursement for community liaisons.

6. 2023 Wisconsin Act 12, among its many provisions, contains a prohibition on using tax-levy funding for any local government positions whose principal duties consist of promoting individuals or groups on the basis of their race, color, ancestry, national origin, or sexual orientation.

### **DISCUSSION**

1. This amendment adds \$150,000 to the budget of DOA-Office of Equity and Inclusion for the purpose of enhancing Direct Connect MKE based on the recommendations of OEI.
2. This \$150,000 appropriation would be levy-funded.

### **EFFECT**

1. The budget effect of this amendment is +\$150,000
2. The tax-levy effect of this amendment is +\$150,000, for a tax-rate impact of +\$0.004 per \$1,000 assessed valuation.

**FOOTNOTE INTENT**

This amendment adds a footnote to the Department of Administration directing the Budget and Management Division to report to the Common Council regarding how positions and programs that are ARPA-funded in 2024 will be funded in 2025 and in future years.

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to approve said legislation, the footnote has no impact.

**BACKGROUND**

1. With the City's allocation of federal American Rescue Plan Act (ARPA) funds expiring in 2025, the 2024 Proposed Budget utilizes the City's remaining \$92,737,548 of unallocated ARPA funds, and an additional \$17,516,599 of reprogrammed ARPA funds, to fund salaries under the "Revenue Replacement" category of allowable ARPA expenditures. Total ARPA funds used for salaries in 2024 are budgeted to be \$110,254,147.
2. Given that \$110,254,147, or 27.8%, of total City salaries are covered by ARPA dollars in the 2024 Proposed Budget, the City will need to determine how to fund these salaries and other programs with alternative sources of revenue in 2025 and in future years.

**DISCUSSION**

1. This amendment adds a footnote to the Department of Administration directing the Budget and Management Division to report to the Common Council regarding how positions and programs that are ARPA-funded in 2024 will be funded in 2025 and in future years.

3. On December 18, 2018, the Common Council Adopted Resolution File Number 181286, directing the Department of Employee Relations and the City Clerk's Office to cooperate with all City departments to increase utilization and effectiveness of the Direct Connect MKE platform.
4. The resolution expressed the Council's position that the Direct Connect MKE platform has been underutilized by City departments in connecting Milwaukee youth with meaningful employment opportunities.
5. OEI offers weekly trainings on how to use the Direct Connect MKE web platform for interested partners.

**DISCUSSION**

This footnote directs the Office of Office of Community Wellness and Safety, Promise Keepers, neighborhood partners, recipients of CDBG and NSP funds, as well as any other relevant partners, to undergo navigation training on the Direct Connect MKE jobs platform to better promote its use.

**EFFECT**

The footnote will have no effect on the budget, the tax levy, or the tax rate.

**BACKGROUND**

1. In the 2021 Budget, the Department of City Development (DCD) was directed to create a healing spaces initiative to utilize the City’s vacant lots.
2. Placed under the Neighborhood Improvement Development Corporation, the Healing Spaces Initiative received \$50,000 as part of the 2022 Budget.
3. The 2024 Proposed Budget allocates \$3,064,000 for targeted demolitions by the Department of Neighborhood Services (DNS).
4. These funds will translate into demolition of approximately 180 properties.
5. These additional lots represent only a fraction of the over 4,100 City-owned vacant lots.

**DISCUSSION**

This footnote directs the Department of City Development, Department of Neighborhood Services, as well as any other relevant departments to develop a plan for the utilization of the City’s vacant lots.

This amendment will add a footnote to the Department of City Development directing the Department to promote Homes MKE properties on the City website.

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to approve said legislation, the footnote has no impact.

**BACKGROUND**

1. The Department of City Development (DCD) launched the Homes MKE initiative in the spring of 2023. The goal of Homes MKE is to renovate up to 150 vacant, City-owned tax foreclosure properties. There are currently at least 37 properties in the process of being fully rehabilitated. At least 16 of these homes are already at some stage of construction, which will include all-new plumbing, heating and electrical services.
2. DCD has indicated that many of the Homes MKE properties would be available for sale, or as lease-to-own properties, by the end of the summer of 2023.
3. If successful, Homes MKE will provide dozens of Milwaukee households with safe, affordable housing and return once-blighted properties to the tax roll.
4. Marketing the availability of completed Homes MKE properties as for sale or lease-to-own on the City website will speed the disposition of these properties and improve the likelihood of success of the initiative.

**DISCUSSION**

1. This amendment adds a footnote to the budget of the Department of City Development directing the Department to promote Homes MKE properties on the City website.

2. A resolution may be required to effectuate the intent of this footnote.

**EFFECT**

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to pass said legislation, the footnote has no impact.

**BACKGROUND**

1. While Milwaukee remains one of the most-affordable cities in terms of housing affordability, many resident still struggle to find affordable housing.
2. According to the City's 2022 Affordability report, in Milwaukee, the majority of renter households earning less than \$35,000 per year in income are considered housing cost burdened, spending at least 30% of their income on housing.
3. Of the households earning less than \$20,000 per year, only about 9.4% were not cost burdened, and about 78% were considered "severely" cost-burdened, spending 50% or more of their income on housing.
4. For renter households earning between \$20,000 to \$34,999 per year, about 83% were cost burdened, with 25% considered severely cost burdened.
5. In recent years, upcycling of shipping containers into housing has gained traction as an affordable and eco-friendly approach to creating additional housing.

**DISCUSSION**

**BACKGROUND**

1. Each year, the City invests millions of dollars in its neighborhoods through various programs such as the Strong Homes Loan Program, the Commercial Investment Program, tax incremental district financing projects, and construction of City facilities such as new libraries and health centers.
2. The Department of City Development administers or oversees many of the programs that invest City funds in Milwaukee neighborhoods.
3. The Common Council and the Mayor could benefit from an annual report on City investment by neighborhood. Such a report would indicate trends in City investment and help identify neighborhoods that are not receiving the investment they need.

**AMENDMENT INTENT**

Add \$30,000 to the Hip-Hop Week MKE Fund in the Common Council – City Clerk budget.

**BACKGROUND**

1. The 2024 Proposed Budget provides \$20,000 for the Hip-Hop Week MKE Fund in the Common Council – City Clerk’s Special Funds, the same level of funding as in the 2023 Adopted Budget.
2. Milwaukee made history as the first city in American to create an official Hip-Hop Week, focusing on the power of Hip-Hop to help positively transform urban communities. The annual weeklong city-wide event celebrating the culture of Hip-Hop features performances, seminars, and an array of other events focused on civic engagement, voter registration wellness and mental health, financial literacy, and exploring pathways to success.

**DISCUSSION**

1. This amendment adds \$30,000 to the Hip-Hop Week MKE Fund in the Common Council – City Clerk’s Special Funds, bringing total 2024 funding for the Special Fund to \$50,000.
2. This amendment is funded with the levy.

**EFFECT**

1. The budget effect of this amendment is \$30,000.
2. The tax-levy effect of this amendment is \$30,000, for a tax-rate impact of \$0.001 per \$1,000 assessed valuation.

DEPARTMENT(S)	EFFECT		
	BUDGET	TAX LEVY	TAX RATE PER \$1,000
ELECTION COMMISSION	\$+0	\$+0	\$+0.000

**FOOTNOTE INTENT**

This amendment will add a footnote to the Election Commission indicating that the department will commit to finding a permanent early voting location on the Northwest Side.

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to approve said legislation, the footnote has no impact.

**BACKGROUND**

1. In 2023, the Election Commission offered 7 early voting locations for the Spring Primary and Elections: Zeidler Municipal Building, Midtown Shopping Center, Zablocki Library, Good Hope Library, Washington Park Library, Mitchell Street Library and Villard Square. The voter turnout and cost per voter by voting site was as follows:

	Zeidler	Midtown	Zablocki	Good Hope	Wash Park	Mitchell St	Villard Square	Totals
<b>Spring Primary</b>	1417 (\$4.35)	1659 (\$9.98)	931 (\$8.49)	439 (\$9.08)	213 (\$15.87)	110 (\$19.70)	79 (\$38.10)	<b>4,848</b>
<b>Spring Election</b>	3703 (\$2.25)	4000 (\$4.77)	3071 (\$2.80)	1343 (\$3.94)	747 \$5.67)	386 (\$7.00)	202 (\$15.70)	<b>13,452</b>

2. As the above table indicates, the Midtown early voting site had the highest turnout of any site for both of the 2023 citywide elections.
3. In 2024, there will be 4 elections: Spring Primary (February 20), Spring Election/Presidential Preference (April 2), Partisan Primary (August 13) and General Election (November 5).
4. The Election Commission has identified the following 6 early voting sites for both 2024 spring elections and the August election: Midtown, Zeidler, Zablocki, Good Hope, Tippecanoe and Washington Park.

5. For the 2024 General Election in November, the Election Commission has identified the following 10 early voting locations: Midtown, Zeidler, Serb Hall, Good Hope, Tippecanoe, Washington Park, Mitchell Street, MLK Library, UWM and MATC.
6. The Election Commission has learned that it may be difficult or impossible to secure an early voting location at Midtown. Ownership of this property has recently changed, and the space to be rented for the early voting site would cost more money for less square footage, if it is available at all.
7. Without the Midtown location, the only other early voting site on the Northwest Side in 2024 will be the Good Hope Library, which is over 4 miles northwest of Midtown. This would leave residents of a large swath of Milwaukee – including all or most of the 1<sup>st</sup>, 2<sup>nd</sup>, 5<sup>th</sup> and 7<sup>th</sup> Aldermanic Districts – without a convenient early voting location.

## **DISCUSSION**

1. This amendment adds a footnote to the budget of the Election Commission indicating that the department will commit to finding a permanent early voting site on the Northwest Side.
2. A resolution may be required to effectuate the intent of this footnote.

## **EFFECT**

The footnote will have no effect on the budget, the tax levy, or the tax rate.

**BACKGROUND**

1. Currently, many City departments offer internship programs or other apprenticeship opportunities.
2. There is no single location where these opportunities can be viewed by prospective applicants, making it more difficult for prospective applicants to find opportunities that appeal to them.

**DISCUSSION**

This footnote directs the Department of Employee Relations to provide the Common Council, Direct Connect MKE, and all Community Development Block Grant funded Neighborhood Stabilization Programs with an inventory all city apprenticeship and internship programs.

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to pass said legislation, the footnote has no impact.

**BACKGROUND**

1. Currently, the Department of Employee Relations (DER) provides City departments with an exit interview form that is to be sent to any employees who are leaving their current positions, including any employees who are moving to other positions within the City.
2. The survey, which is approximately 45 questions long, is voluntary and can be completed anonymously.
3. The survey asks questions regarding the employee's time in their former position, including questions regarding any discriminatory experiences they may have had, which are then flagged by DER for additional follow up.

**BACKGROUND**

1. The 2024 Proposed Budget provides \$50,000 for the MKE Community Excellence Fund Special Purpose Account, which is the same level of funding as in the 2023 Adopted Budget.
2. The Milwaukee Community Excellence Fund is used to support community events that promote peace and violence prevention.
3. The program allows participants to sign up for volunteer opportunities.
4. Official City events supported by this SPA include: Girls' Day @ City Hall, MKE Business Now Entrepreneurship Summit, Bronzeville Week, HaRunBee, Black History Month, The Big Serve, The Big Clean program, Hispanic Heritage Month Celebration, Hip-Hop Week MKE, Juneteenth Day Celebration, Alert Neighbor Program, Vel R. Phillips State Fund, and the Community Excellence Program.

**DISCUSSION**

1. This amendment adds \$20,000 to the MKE Community Excellence Fund Special Purpose Account, to be administered by the Common Council – City Clerk, bringing total 2024 funding for the SPA to \$70,000.
2. This amendment is funded with the levy.

**EFFECT**

Footnotes are informational only. It is necessary for the Common Council to adopt legislation to implement the intent of the footnote. If the Common Council fails to pass said legislation, the footnote has no impact.

**BACKGROUND**

1. The 2024 Proposed Budget allocates \$3,064,000 for targeted demolitions by the Department of Neighborhood Services (DNS).
2. These funds will translate into demolition of approximately 180 properties.

**DISCUSSION**

1. This footnote earmarks \$600,000 of this funding for demolition of properties by DNS for areas with the greatest concentration of blight.
2. It expected that allocating \$600,000 for demolition of properties in the areas of the most concentrated blight will focus the City's efforts on the most distressed neighborhoods and speed the recovery of these neighborhoods.

DEPT. OF ADMINISTRATION, SPA – BOARD OF ZONING APPEALS	\$+0	\$+0	\$+0.000

**AMENDMENT INTENT**

This amendment removes the Board of Zoning Appeals from the Department of Administration and replaces the position authority and funding with a Special Purpose Account set up for the Board of Zoning Appeals.

**BACKGROUND**

1. For many years, funding for the Board of Zoning Appeals (BOZA) -- salaries and operating expenditures -- has been provided in the City Budget by a Special Purpose Account established specifically for that purpose.
2. The 2024 Proposed Budget places position authority, salary funding and operating expenditure funding for the Board of Zoning Appeals in the budget of the Department of Administration, rather than in the SPA – Board of Zoning Appeals.
3. The transfer of the Board of Zoning Appeals to the Department of Administration will place BOZA under the administrative oversight of DOA and necessitate revisions to the Code of Ordinance to reflect the new arrangement.

**DISCUSSION**

1. This amendment removes the position authority and funding for the Board of Zoning Appeals from the Department of Administration and places the same position authority and funding in the Special Purpose Account established for the Board.
2. If the amendment is approved, there will be no change in the Board of Zoning Appeals' relationship to the City's organizational structure. It will continue to operate as an independent City department.

**EFFECT**

Because this is a balanced amendment, it has no effect on the budget, tax levy or tax rate.

**BACKGROUND**

1. The City of Milwaukee Department of Public Works initiated a Dockless Scooter Pilot Study on July 23, 2019. Three companies, Bird, Lime, and Spin, participated in the pilot study. The pilot study was authorized to run through December 31, 2019; however, all three companies had removed their scooters by the end of November.
2. The 2021 Dockless Scooter Pilot Study ran from June 1 to November 15, 2021. Three companies, Bird, Lime, and Spin, participated in the study. DPW staff conducted a thorough evaluation of the pilot study, including an overview of ridership, results from a public survey, and goals analysis.
3. The 2022 Dockless Scooter Pilot Study ran from August through mid-December, 2022. Three companies, Veo, Lime, and Spin, participated in the study.
4. The current pilot study will end on December 31, 2023. Three companies, Lime, Spin, and Veo, are participating in the study. DPW staff are evaluating the study on an ongoing basis.
5. The Department of Public Works added parking corrals on high ridership streets in 2022.

**DISCUSSION**

This footnote directs the Department of Public Works to make the Dockless Scooter program permanent.

**EFFECT**

The footnote will have no effect on the budget, the tax levy, or the tax rate.
