Downtown Plan

- Adopted 1999. Amended in 2010 and 2023.
- The plan recommends reinforcing Downtown as the region's center of art, culture, entertainment and sports, and supports new entertainment venues of all types and size throughout Downtown.
- The plan encourages large venues and other facilities that may necessitate blank walls to include "liner uses" along the street frontage.
- The new lot being proposed along N Vel R Phillips Avenue creates additional opportunities for investment and street activation that would not be possible under the previously approved DPD.
- **The proposed amendment is consistent with the Downtown Plan.**
