Director
Department of Employee Relations
City Hall, Room 706
200 East Wells Street
Milwaukee, WI 53202

Dear Mr. Donahue:

The Department of City Development is hereby requesting re-exemption from the provisions of Civil Service for the Neighborhood Business Development Manager position. We are asking that this request be heard by the City Service Commission at its meeting on February 6, 2024. This economic development position in the department has traditionally been exempted from the provisions of Civil Service because the employees in this role have access to sensitive information from the businesses with which they work, such as confidential proprietary financial data and business expansion plans.

The Neighborhood Business Development Manager is responsible for the management of activities in Milwaukee's commercial corridors that generate private investment and new development. This senior management position develops strategies, creates work plans for targeted neighborhood initiatives, and has oversight of grant programs. This position also facilitates legislative processes, performs public outreach, promotes opportunities to the private sector, and reports to policy makers.

The job description for this position is attached. Should you have any questions or require additional information, please contact Vanessa Armstrong at extension 6076.

Sincerely,

Vanessa L. Koster
Deputy Commissioner

RE: Request from the Department of City Development to **re-exempt** the position of Neighborhood Business Development Manager

<u>POSITION TITLE</u>	<u># OF POSITIONS</u>	<u>PAY RANGE</u>
Neighborhood Business Development Manager	1	1 IX (\$80,098-\$112,136)

Please find attached a request from DCD Deputy Commissioner Vanessa Koster to re-exempt the position of Neighborhood Business Development Manager. A copy of the current job description is enclosed.

The Neighborhood Business Development Manager directs activities in Milwaukee’s commercial corridors that generate private investment and new development, including large-scale redevelopment activity and targeted initiatives. The Neighborhood Business Development Manager will develop and oversee financing programs to incentivize redevelopment and will recommend City investment in redevelopment projects. As well, the incumbent will work with lenders, community financial institutions and philanthropic organizations to increase the capital available to finance redevelopment projects in commercial corridors.

Because of the importance of this position in serving as a representative of the administration in development and redevelopment in the City of Milwaukee and due to the role the incumbent will play in reporting to policy makers, I recommend that the request to re-exempt the position be granted.

Please contact me at 414.286.8643 should you have additional questions.
