Subject: Golddiggers

I wanted to reach out to you and discuss my strong support for Golddiggers. I believe Golddiggers is a great place that brings people together. While this club has been under the ownership of Michael I have found this location is a safe place. I often come to Golddiggers alone: and because of his great security team I have always felt safe while I am there. I have become very close with other patrons who visit this location often over the years because of its great environment. . I love that his employees are consistent and provide wonderful customer service as if it was my first time visiting. I support this bar because it is always great to see an African American man attempting to make something of himself. It saddens me to see my favorite local bar closed. I write this email with hopes that you reconsider. Thank you for your attention to this matter.

Sincerely,

Brooksie D. Smith

To whom it may concern,

Hi my name is Natoya Purifoy, I've been going to GoldDigger for two year now for the entertainment and drinks.

I have met some wonderful people in there as well some mothers and fathers who needed a job that GoldDiggers provided!.. GoldDiggers is not just a bar for some its more like home.

When entering GoldDigger Atmosphere makes you feel safe!, They card everyone and also make sure there's no weapons on anyone. it gives you a since of relief after a long day of work where you can unwind listen to music, drink, meet new faces and also network.

Taking away GoldDigger license will be tragic for not only people like me who loves the vibes that they offer but for the woman who's trying to make away, and have no business work experience.. and the men who can't get a job and that's taken care of their family. This is their job!

Thank you for taking time out to read. I am very much supporting GoldDiggers

Sincerely,
Natoya Purifoy

I am emailing this letter to inform you that I'm a in great support of Golddiggers Gentlemen's Club by Micheal. This club is actually one of the safest places I've been in Milwaukee in a long while. There is nothing but a safe feeling of being there with comfort and also feeling like it's a family place besides a gentlemen's club. I truly believe Golddiggers Gentlemen's Club help the community and also give people opportunities to grow in area of there lives that they seek to grow in. Golddiggers is not only a business for gentlemen to have a good time but for everyone to have a great time, unwind and be safe while they are there. Please consider keeping this business alive. I just want to say I am in support of golddiggers nightclub being where it has been for the last 15 years. Ever since I've moved in this neighborhood that has been a safe place for me to go to have a good time and to shoot pool. That is my peace. The security always make sure I and ppl leave safely. I never have any issues out of that place with me living behind the club towards the end of the block. The owner has always been respectful of my wishes if I ever have asked for anything to be done around the neighborhood. Also this is the only spot in the area to go to and not have to drive or ride share to get to it's close and convenient Sent from my iPhone

I currently do our security throughout the city of Milwaukee and the county of Milwaukee, I'm writing you to let you know I really support golddigger gentleman club has going on. It's an establishment that has been around for a while although it has had minor issues. There are other businesses that doesn't even bring in a revenue that that place does. The Micheal is an amazing man. I've been knowing him for years and he is very protective of his establishment what he let in how he run his business who he let in in the day-to-day service. I'm not really in the community but a little by my background I work for the county sheriffs for a couple years. I've been doing arms security for about 12 years and I've also been in a community helping with fundraisers police night, outs, and things of that nature. I support what Micheal has going on, And if there is anything that I can do to help him maintain his license, I will do it!!

GOLD DIGGERS is a staple in our community it is the heart beat of this area being the only business open around this neighborhood at night. I never experienced a problem with the club or the owner upon moving in with my fiancé directly across the street from behind. the neighbor next door to me Miss Roshounda Cleveland tried to give it a bad rep...the only bad I see is her trying to be spiteful and curse out everyone that tries to reason with her including myself ...I told her I wasn't worried about a gentleman club as long as I mind my business I wouldn't have nothing to worry about. I guess me not being on her side I was to a victim of her verbal abuse and disrespectful ways...she called the city on us for renovating our house because of the old stuff sitting in our yard not even sitting over night she also call the city on my dog who was bought to protect my family while at work ..who didn't bark unless you came within a close space by the gate isn't that what a protection dog suppose to do....my dogs wasn't outside for hours at a time unless I or my children were out with them my dog never left the gate unattended....she cursed out a family who was mourning the loss of person who was just killed in a drive by shooting she told-them to get out front of her house using very disrespectful choice words to where as that family was upset and yelling back her for not respecting the falling family member...I had to get an inspection on my house to get my house reappraised and she cursed out the appraisal people who wanted to see the gas meter on the side of my house unfortunately that's in her yard where vines and leaves are growing that we can't get to.....I feel as if she only got a camera to point at gold diggers and not the real dangers of this community like fast drivers who ranned into my car in front of our house ...when asked by the police to see her cameras she replied I didn't see it....her picking with gold digger and the owner is starting to seem like she obsessed or like a fatal attraction sort of speak and it's really creepy.... imagine the moment you walking in your business you get harassed from the cops and/or crazy obsessive person whom you don't know don't care to know how would you feel....at times i feel sorry for her husband who's a victim to verbal abuse EVERY SINGLE DAY....his manhood is challenge everyday with strong language and threats of physical abusive behavior I hear all this from my bedroom window.....I am in support of Gold Diggers....if anything my neighbor Roshounda Cleveland needs to relocated if she feels she have a problem with Gold Diggers because the years I've been here she is the nuisance Gregory Stevenson 4744 n 37th street 4147951948

Hey All,

Most of us have heard about all the issues the Neighbors of Gold Diggers have with this business. Located at 4750 N. Hopkins St., Gold Diggers has been the subject of repeated police calls and reports related to loitering, littering, public defecation and urination, loud music and operating outside of legal hours.

The city has shut them down 3xs for 20 days to send them a message.

I just saw a notification that a licenses is up for renewal. Now is the time to speak up. Bad business is not good for our neighbors.

At 4750 N HOPKINS ST a RENEWAL Class B Tavern License license was applied for on **01/19/2024** for Gold Diggers Milw, Michael Ray Gents Plus LLC.

Please do not respond to this email. It is not set up to receive emails.

If you wish to express your concerns regarding this application you should contact the License Division by email at license@milwaukee.gov or send a letter to the License Division at 200 E. Wells St., Room 105, Milwaukee, WI 53202.

- **Your name**
- **Your mailing address**
- **The specific reason for your concerns**

If the email or letter is received in a timely manner, you will receive notification when the application will be scheduled before the appropriate Common Council committee for review and hearing.

You may also wish to call your local Alderperson at (414) 286-2221 to discuss your concerns.

If you have any other questions, please call the City Clerk License Division at (414) 286-2238.

Good afternoon,

Thank you for the email, Mayor Johnson appreciates any and all correspondence from residents of Milwaukee. I recall these issues taking place throughout 2021, and it was my understanding that a suspension of the license took place. Has Alderman Rainey been able to look into a revocation of the license? If an establishment has serious incident, an alderperson can examine revoking their license prior to a license renewal. In the meantime, I'd encourage you to call in any and all incidents to MPD and/or Alderman Rainey's office.

Thanks,

Todd Miller

MILWAUKEE (CBS 58) -- He was a father of five, who his family says loved his children. But after he was killed at a bar last year, they've been looking for closure and they need your help to get it.

"Still not over it, it's still there, the pain is still there," said Gladys Taylor. "I think about him every day. I cry about him most days. It's devastating."

Gladys is talking about her youngest son, Daryl Childress.

He was 43 years old when he was killed the night of Nov. 19, 2022.

Milwaukee police say Childress was with a female friend outside of Gold Diggers gentleman's club in the 4700 block of N. 37th Street.

Surveillance video shows Childress sitting in his car while several men walk up and start firing shots. Another look shows the suspects walking into the bar.

Detectives say they're very close to solving this case, but they need the community to come forward and the suspects to turn themselves in.

"I just pray that whoever knows anything about this would please come forward. It could be a friend, a cousin, or whoever, if they would just come forward, say something, I would appreciate it."

If you recognize these men or know anything about the murder of Daryl Childress, call Milwaukee Crime Stoppers at 414-224-TIPS. Your call is always anonymous, and if your tip leads to an arrest, you get \$1,000 cash.
