Thank you Sgt. Velasquez,

We are wondering specifically about an event where our inspector was onsite and the operator got into an altercation with his business partner, stabbed him in the hand and the police were called and did come on site.

Jim are you able to include the attached incident report from our side that documents the situation?

Subject: Fully Loaded

Hi Sgt Velasquez: as health is preparing for license hearing Tuesday for Fully Loaded / Eric Blue / Blue Magic Food Group – just wanted to check in to see / make sure the police report for him will follow over from 4323 W Fond Du Lac Ave (Upstart) to this most recent application for 3536 W Fond du Lac. I was on site to close the food truck "Fully Loaded" for lack of a service base license. While doing so, 3 or 4 men from another establishment "PepperPot" were also on site attempting to repossess the truck from the operator, Eric Blue. While one of the men was talking to me, the other men went inside the truck where Eric was and began a heated argument. There was loud shouting and suddenly all of the men came tumbling out of the truck, one man had bleeding cuts to his fingers and another was stating something to the effect, "you cut my brother". Eric was holding a large kitchen knife. Eric called 911 and police arrived shortly afterwards. I gave the officer my account of what happened and my business card and left.

This was the only related call for service in the area, in the time frame listed on the report. The call was made by Mr. Blue and the responding officer did not file a report because he was never able to make contact with Mr. Blue.

I checked the calls for service for the reporting district for the entire day and did not find any additional calls.

Do you know if the subject that was stabbed or the inspector made a call too.
