

On behalf of the Business Improvement District 4 Board of Directors and myself, this is to provide support to Voces De La Frontera, owner, and occupant of 733 W. Historic Mitchell Street.

This social services organization provides assistance, support, and information to the clients it serves, including citizenship, classes, classes in English, immigrant and voting rights workshops and classes, and now also with plans for a welcoming center.

Voces De La Frontera is providing services and assistance to a large portion of Hispanics on the south side, and we are so very pleased that the VDLF organization is located here on the commercial corridor of Historic Mitchell Street.

Thank you.

Nancy Bush  
Executive Director  
Business Improvement District #4  
823 W. Historic Mitchell St.
