Re: **Legistar File 231146**  
**Resolution relating to a Minor Modification to the Detailed Planned Development known as Honey Creek Corporate Center, Phase IV, to add college as a permitted use within the building located at 9000 West Chester Street, located on the north side of West Chester Street, east of South 92nd Street, in the 10th Aldermanic District**

Dear Alderman Murphy and Deputy City Attorney Farris:

The purpose of this letter is to request that the Zoning, Neighborhood, and Development Committee place the above-entitled Resolution on its April 4, 2024, meeting agenda for deliberation and vote. I was unsure where to address this formal request. Please accept my apologies if it should have been directed elsewhere.

We have consistently maintained that the pending proposal adheres to the criteria in Section 295-907-2-I of the City's zoning code for a minor modification to Honey Creek Corporate Center Phase IV. The proposal is also consistent with the City's Comprehensive Plan. The City Attorney's Office and DCD Staff agree with our position.

Applicant is ready to proceed forward at the April 4, 2024, Committee meeting. If the Committee believes that additional information is required before the resolution can be placed back on the agenda, please let me know.

Thank you for your attention to the foregoing. We hope you can appreciate the desire to move this matter forward, given the economic burden being carried because of the space buildout cost and inability to collect rent for the space.

We appreciate your placing this letter on file with the City and incorporating it into the official record associated with this application.

Respectfully and sincerely,
