If I may add...i don't believe the bar was open much thru out warmer weather months last yr? so no real history..

(was rather quiet, livable...)

Their ability to operate at all was in the table

when we met for our gathering prior to their opening;

They have been allowed to be open till midnight?; why are they not

happy with that, rather than possibly not open at all?

I guess we'll see what happens in coming months...

In my opinion, no longer a place for a bar of any kind; times have changed and unrefutably...for the worse.

By the time I got my window open, I did not see anyone 'leaving the bar' related to the vehicle issues...only saw them revving/squealing/speeding away from the area, racing on Oklahoma ave.

If the bar is open to 12am, what the heck are they doing open at 12:49 and later?
 There were at least 15 cars parked near the bar(12:49)..several in front, others to the west; when I checked again after 2:00, only one was left..

I DO definitely object to the bar being open after midnight, and seems they have already been ignoring that?! (I have pics)...also, as before/in past, all the drunk goons from surrounding bars/closing will go there to drink more, and then it gets worse from there..as ive always said, the cancer will grow.

*Also thought they didn't get an entertainment lic/approval?

What are they licensed for in this area?

Tks

Mal de Amores is open and I hadn't received a complaint yet but we are experiencing racing throughout the area. Their license renewal is soon and they will ask to stay open later, until 1 am vs 12 am now. We will support what neighbors support on that. Send a note if you wish to object. I believe we will hear the request in May. Are you certain the cars are connected to the place?

I see on Facebook there were reported shots fired at Okla/S 9th Pl at 12:22 am Sunday, and a bullet was recovered the next day in the alley of 10th on your side of Oklahoma. Not sure if we can blame any location for that either but the CLOs and your cameras would know more than me.

I believe state law does allow bars to stay open the night of the time change for an extra hour if they want but it shouldn't be happening on other nights. It also doesn't impact them since the time change doesn't happen till 2 am?

Officers and I, can we get some 12-1 am attention to S 7th to 10th and Oklahoma on an upcoming weekend night to see what's up with the racing and gunplay?

Thanks,

Terri Williams

Hello Marina;

Been a while since; I guess nothing good can last?

Il presume the bar on 8th/Oklahoma is yet operating ?

I was on a business trip all week and came home (not feeling well).. to this;

Strongly brought it up at the on-site, group meeting prior to their opening...

Same as before is occurring. It's now 12:49 am Sunday morning, (12:49 am bar still open?; with clocks moved forward?)

the vehicles from there are at it. Roaring/racing engines, popper mufflers, screeching tires, racing away up/down Oklahoma...

It's not warmer weather yet....need I say more?!?!
