Zoning and Neighborhood Development Committee  
Milwaukee City Hall  
200 E. Wells St.  
Milwaukee, WI 53202

Dear Members of the Zoning and Neighborhood Development Committee,

I am writing on behalf of Ingeteam Inc. to express our support for Menomonee Valley Partners (MVP)' opposition to the rezoning of 324 N. 15th Street to allow for residential development within the Valley.

For decades, the MVP have pursued a viable, farsighted vision for using robust and clean industrial activity within the Valley to help revitalize the wider city of Milwaukee. This means creating good jobs like those at Ingeteam, which will provide a level economic and social stability to families and neighborhoods already located within close proximity to the Valley.

This vision is beginning to take root in reality, and now is not the time for deviation from this zoning plan. Any scarce development resources are best spent in the enhancement of those existing neighborhoods that have been most left behind by the city's widening prosperity. Not by building an entirely new neighborhood in an area meant for work.

Please continue to support the MVP's vision. Do not allow residential developments within the Valley.

Thank you for your attention to this matter.

Sincerely,  

Garan Chivinski
