Hello,

I received a parking ticket (Issue No. 136996926), for parking in excess of 24 hours. Recently, I proved the ticket to be false and it was dismissed in court, on 2/21/24 at 830am. As a result, I had to take off from work and used 2 hours of my vacation time, to attend court virtually. So, I would like to be reimbursed for the 2 work hours, I used to attend the court date. At which, I was falsely accused. I am contacting you, today, after I received a notice from Municipal Court, that the case was dismissed (attached).

Additionally, I was never returned my driver's license after the clerk scanned it, after I went to the City of Milwaukee Violations Bureau on South Chase in Milwaukee, WI. A few weeks later, I realized that I didn't have my driver's license. So, I returned to retrieve it, and the clerk said they had sent it to the Department of Motor Vehicles. At that time, I requested to file a complaint with a manager at the City of Milwaukee Violations Bureau. But they stated, that I could not speak with a manager in person. So I had to leave and call. I called on 11/4/23 and 11/19/23 (414-286-8350) seeking reimbursement for my driver's license. A manager called me back and said they would look into it and I haven't heard anything since.

In addition, I also contacted Department of Motor Vehicles main office (608-264-7447) on 11/20/23, and was told that they destroy any licenses that are returned to them. I had not been notified, that my property was being transported anywhere. Even though the City of Milwaukee Violations Bureau had my address and phone number. So, I would like to be reimbursed for my unreturned driver's license. The replacement fee for a regular driver's license is \$35.00. I make 32.975 per hour (2 hour reimbursement request). Ultimately, I would be owed a total of \$67.98.

The total requested is \$67.98 + 35 = 102.98

ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

893.80 Claims against governmental bodies or officers, agents or employees; notice of injury; limitation of damages and suits. (1) Except as provided in subs. (1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employee under s. 801.11. Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employee; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
