

**Amendment No. 4
to
Project Plan
for
Tax Incremental Financing District No. 70
("735 N Water Street")**

City of Milwaukee

Public Hearing Held:

Redevelopment Authority Adopted:

Common Council Adopted:

Joint Review Board Approval:

**AMENDMENT NO. 4 to the PROJECT PLAN for
TAX INCREMENTAL FINANCING DISTRICT NUMBER 70
CITY OF MILWAUKEE
(735 N Water Street)**

Amendments to the Project Plan:

The following amendments are made to the Project Plan. All other sections of the Plan remain unchanged.

I. DESCRIPTION OF PROJECT

Sub-Section A. Introduction is deleted and restated as follows:

Section 66.1105(4)(h)(1), Wisconsin Statutes, permits the Redevelopment Authority, subject to the approval of the Common Council, to amend the project plan for a tax incremental financing district. Section 66.1105(2)(f)1.n., Wisconsin Statutes, permits amendment to fund projects located outside, but within one-half mile of the District's boundary.

The Common Council created Tax Incremental District Number 70 in 2007 for the purpose of facilitating the redevelopment efforts of the buildings located at 731 - 735 North Water Street and the property's associated Riverwalk along the Milwaukee River.

The District was amended in 2010 to modify the scope of the private investment as it relates to the end use of the building at 731 N Water Street. It was originally anticipated that the building at 731 North Water Street would be converted to a parking garage and seven luxury condominiums. Given a significant change in the market, the proposed development program was modified to include a conversion of the building into a Gold's Gym and retail, and office.

In 2021, the District was amended to provide funds necessary to repair two areas of dockwall where significant breaches had been identified. Given the rising water levels on the Milwaukee River, these fractures had the potential to cause serious damage to adjacent infrastructure and needed immediate repair. Amendment No. 2 provided \$250,000 in funds to the Department of Public Works to complete the emergency repairs. The dockwalls, located at Mason Street and Wisconsin Avenue are both within one half-mile of the District's boundary.

The District was amended for a third time in 2022 to provide funds to the Downtown Riverwalk Business Improvement District No. 15 ("BID 15") to address infrastructure issues related to the aging conditions of the concrete and metal railings along the 25 + year old Riverwalk system. The City is the owner of certain segments of Riverwalk located between Cherry and Clybourn Streets, within the BID boundaries and the amendment provided \$175,000 for the proposed infrastructure work located on these city-owned segments of the system. In addition, this amendment authorized \$903,000 to fund eligible Riverwalk and dockwall costs per the city's Riverwalk funding policy at 333 N Water Street in association with the adjacent residential development.

A 381-unit residential development is proposed for the riverfront property at 1005 N Edison Street. This proposed fourth amendment to the District would provide up to \$600,000 to the developer to construct two public plazas on property adjacent to the development, but owned by the City of Milwaukee Redevelopment Authority (RACM). The developer and RACM have executed two 99-year leases for the developer to improve and manage the public space which is also connected to the Milwaukee Riverwalk

System. In addition, the amendment will provide an additional \$50,000 for the administration of the District.

TID 70 has incurred project costs, to date, of \$4,093,803 for gap financing, Riverwalk improvements and dockwall repairs. In summary, Amendment No. 4 will provide an additional \$650,000 for the purpose of funding public plaza improvements adjacent Milwaukee Riverwalk System.

This amendment is submitted in fulfillment of the requirements of section 66.1105, Wisconsin Statutes.

Section I. D. “Proposed Public Action” is amended by adding the following:

The District will fund the construction of two public plazas on property owned by the City of Milwaukee’s Redevelopment Authority.

The District will provide a cash grant to the developer for eligible costs at 1005 North Edison Street.

Section II.B.1.a. is amended by adding the following:

- 6. Two public plazas adjacent to the development at 1005 N Edison Street
