FUTURE GOALS + IMPACT

- We look forward to future developments with our team, and are hoping to continue producing livework dwellings, **including securing a property for Mikal Floyd-Pruitt**
- We recognize that creative placemaking in Bronzeville is a part of its rich legacy. **We honor** those who layed the roots for initiatives like HomeWorks: Bronzeville, such as the original **America's Black Holocaust Museum, Jazale's Art Studio, and other creative & culture ignighters who have called Bronzeville home.**
- **We welcome new** institutions to the community that are in alignment with our vision for positive change via creative application, including **Bronzeville Center for the Arts.**
- **We take pride** in our continuous ability to provide Bronzeville national recognition with interviews, presentations, and participation at:
 - Site visit from **Center for Cultural Innovation** and the **AmbitioUS** [Pictured]
 - **Assembly of Black Possibilities** | Boston [Vedale]
 - **Charllete Street Foundation, Future Prototypes** | Kassas City [Mikal]
 - **Field Journal**, Interview [Sara, Lexi, Mikal]
 - **The Last Resort**, Artist Retreat | Baltimore [Mikal]
