### **DEAR PERSON OF INTEREST:**

The Common Council has referred File No. 240661 to the City Plan Commission (CPC) for recommendation. This file relates to the change in zoning from Two-Family Residential, RT4, to Industrial Mixed, IM, for the properties located at 2716 and 2740 North Humboldt Boulevard, on the east side of North Humboldt Boulevard, north of East Center Street, in the 3<sup>rd</sup> Aldermanic District.

This zoning change was requested by Living in Community Milwaukee, LLC and will allow the subject sites to be combined with 2730 North Humboldt Boulevard, zoned IM, for the construction of a cohousing residential development known as River Trail Commons. A total of 40 residential units will be provided within 3 buildings, along with shared space and amenities. The 40 residential units are anticipated to be owned individually by the residents. Additionally, this site is within the Milwaukee River Greenway Site Plan Review Overlay Zone. A file will also be considered at the meeting to determine whether the proposal meets the overlay standards. **Please refer to the reverse side of this notice for map details.**
