Washington Park Neighborhood Improvement District #3 2025 Operating Plan

I. INTRODUCTION

A. Background

In 2006, the State of Wisconsin signed into law, the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district statute.

In 2012 the City of Milwaukee received a petition from property owners which requested creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Washington Park neighborhood area on Milwaukee's near west side. The Washington Park NID was created on 9/5/2012, Common Council Resolution #120603.

The NID law requires that every district have an annual Operating Plan to renew the Neighborhood Improvement District. This document is the updated 2021 Operating Plan for the Washington Park Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The boundary for the Washington Park Neighborhood Improvement District (“WP NID”) encompasses the areas designated as Washington Park and Walnut Hill, while also including small portions of the Metcalfe Park neighborhood. The east side of N. 47th Street, which frames U.S. 41, is the western boundary for the north portion of the WP NID, including the park; below the park the boundary of WP NID is the East side of 41st Street. The eastern boundary is defined by the 30th St. Industrial Corridor. The northern boundary is roughly Meinecke Avenue. The southern boundary is the 30th St. Corridor and Vliet Street. For a specific boundary, see Appendix A, Map.

In the last decades of the 19th century and first decade of the 20th century, the area that is now the WP NID was a newly subdivided section of the City of Milwaukee located at the northwestern periphery of the growing metropolis. Streets were laid out in the standard Milwaukee grid, creating blocks nearly 700 feet long from north to south and 300 wide. Plats maximized the number of lots on each block, with the majority being 30 feet wide along the street frontage and 120 feet deep. These narrow lots created a dense development pattern once they were filled with houses, but one that met buyers' desire for a detached dwelling. No rowhouses were built in the area, and practically no apartment buildings. The area was bordered on the north by the thriving business district of West North Avenue and included W. Lisbon Ave, including a Post Office, banks, theater, department store and multistory apartment buildings; all typical of 19th Century urban development. Single-family and duplexes then filled in the grid.

Now, the WP NID is home to several thriving businesses, organizations and families. The area is anchored by the 135 acre Washington Park and is home to the Harley Davidson Motor Corporation. The Urban Ecology Center provides programming at the Park, together with other neighborhood organizations. North Avenue Community Development Corporation, New Covenant Housing Corporation and United Methodist Children's Services have constructed several multi-million dollar catalytic affordable housing projects since 2000. The area is also home to the Washington Park Library, Bethune Academy, West Side Academy, the Progressive Community Health Center and many more amenities.

[Portions of this section taken from the Washington Park Comprehensive Plan 2006]

C. Principal Office & Registered Agent

The Principal Office and Registered Office of the WP NID shall be 3940 W Lisbon Ave. Milwaukee, WI 53208. The Registered Agent of the WP NID shall be the chair elected for 2024.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix A of this plan. A listing of the properties included in the district is provided in Appendix B. The description in Section I. B is a general description of the boundary, the actual boundary is depicted on Appendix A and the actual properties included are on Appendix B. In the event of a discrepancy, Appendix B shall control. The WP NID may update Appendix B during each annual Operating Plan. The Boundaries are herein referred to as "WP NID Area."

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the WP NID is to (a) provide assistance to homeowners, (b) create jobs in the area, (c) fund community projects, and (d) create and implement a sustainable communities plan.

B. Proposed Activities - 2025

Principle activities to be engaged in by the district during 2024 operation will include:

1. Assistance to Homeowners

a. Continue operation of a grant fund (“Grant Fund”) to provide assistance to homeowners of single family homes and duplexes in the WP NID Area to make modest grants (e.g. \$500 - \$7,500 each) to homeowners in the area to make the following improvements to their properties: energy efficiency improvements, repairs to increase water efficiency, repairs to the structural condition of the property (including roof repairs), safety improvements (including lighting, fencing and garages) and repairs to increase the curb appeal of property (“Improvements”). Grants are available to homeowners one time every five years. Additional criteria of the grants will continue to be modified by the NID Board to ensure accountability and utilization of the Grant Fund. The Board of Directors of the WP NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

2. Community and Economic Development

Become a convener of resources and opportunities to support local businesses and organizations located within the NID boundaries, and resident led initiatives. Foster collaboration with other community based organizations, businesses, funders, municipal leaders, elected officials and resident leaders.

3. Support local WP NID-based quality of life initiatives.

Provide support for planning and implementation of local quality of life initiatives will be funded, to the extent funds are available and plans are appropriate, by review and action of the WP NID Board of Directors. Collaborate and or contract with established community organizations and individuals with similar goals and missions of this operating plan and pursuant to the Grant Disbursement Policy.

WP NID reserves the right to respond to extenuating circumstances within the community (some examples could include but not limited to pandemics, natural disasters, civil unrest). The Board of Directors of the WP NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

4. Acquire or develop real estate to house an office and community gathering space within the WP NID Boundaries to establish a stronger WP NID presence.

- a. Establish a real estate committee to explore acquisition of real estate or a real estate development opportunity.
- b. Explore a partnership with a developer to determine feasibility of a real estate development project.

C. Proposed Expenditures - 2025

Proposed Budget attached as Appendix C. The WP NID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Financing Method

It is proposed to raise \$162,600.00 WP NID assessments (see Appendix B). Funds will also be pursued from foundations and other fundraising events. The WP NID may seek private financing for programming secured by this year's or future operating years of the WP NID.

E. Organization of NID Board

Upon creation of the WP NID, the District shall hold annual meetings to elect directors to the District Board (the "Board") consistent with terms of this subsection and the bylaws of the WP NID. The Board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of WP NID assessments.

State law requires that the board be composed of at least five directors and that a majority of the board directors be owners or occupants of property within the district. State law requires the local legislative body to set the time and place for a meeting at which directors of the board will be elected, and shall publish a class 2 notice under ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

The WP NID Board shall be structured in accordance with the Bylaws, which is consistent with the following.

- 1. Board Size. Minimum of five (5) directors, and up to twelve (12) directors.

2. Composition.

a. 3/4 of Directors shall be residents that live in the WP NID Area or owners of residential property in the WP NID Area

b. 1/4 of Directors shall represent organizations or businesses that occupy commercial real property in the WP NID Area or owners of commercial property in the WP NID Area.

3. Term. All directors elected to the Board shall serve for a period of one year. Directors may be re-elected.

4. Compensation. Each director is eligible to receive a \$50 stipend for each quarterly meeting they attend and participate in. Stipends will not be given if a director is absent with or without an excused absence. Payment to be distributed within 5 business days of the attended meeting. Directors may choose to decline their stipend.

5. Meetings. All meetings of the Board's affairs shall be kept pursuant to public records requirements.

6. Staffing and Office. The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.

7. Meetings. The Board shall meet regularly, at least once every 3 months. The Annual meeting will take place the 2nd Monday of January. The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings.

8. Method of Electing Directors to District Board. Elections for the new year Board of Directors will be elected each year of the District's existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or occupy real property within the District are eligible to serve on the Board and vote at the election.

9. Changes. Any change in the Board size, composition or election methodology must be approved by a 2/3 majority of the entire Board.

F. Relationship to other Organizations

The WP NID shall be a separate entity from any organizations it contracts with notwithstanding the fact that members, officers and directors of each may be shared. The contracted organizations shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the WP NID Board. The contracted organizations may, and it is intended, shall, contract with the WP NID to provide services to the NID, in accordance with this Plan.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the WP NID in proportion to the benefit derived from the WP NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the

characteristic most directly related to the potential benefit provided by the WP NID. For commercial properties it was determined that a flat fixed fee was most appropriate. Therefore, a fixed assessment of \$50 per residential unit for residential properties was selected as the basic assessment methodology for residential properties in the WP NID (“Residential Methodology”); a fixed assessment of \$100 per commercial properties was selected as the basic assessment methodology for commercial properties in the WP NID (“Commercial Methodology”), and a fixed assessment of \$50 per vacant land residential or commercial properties (i.e. vacant lot with no structure) was selected as the basic assessment methodology for vacant land properties in the WP NID (“Vacant Land Methodology”). In the event a property contains both residential units and a commercial use, the Residential Methodology shall apply.

Maintaining an equitable relationship between the WP NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 1, 2024, the properties in the proposed district had a total assessed value of approximately \$162,600.00 and approximately 1897 parcels. Appendix B shows the projected WP NID assessment for each property included in the district.

The assessment assigned to each parcel based on this formula is herein referred to as “WP NID Assessment.” Any WP NID Assessments related to a previous year or years may not be contested. The

WP NID Assessment will be as shown on the attached list. Any WP NID Assessment related to this Operating Plan may only be contested prior to approval and adoption of this Operating Plan by the City Council.

B. Excluded and Exempt Property

The NID Statute 66.1110 requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided.

1. In accordance with the interpretation of the City Attorney regarding Wis. Stats. Section

66.1110(7)(a), property exempt from general real estate taxes has been excluded from the District activities and will be asked to make a financial contribution to the District on a voluntary basis. Those tax exempt properties adjoining the District which are later determined no longer to be exempt from general property taxes shall automatically become included within the District and subject to assessment under any current operating plan without necessity to undertake any other act.

IV. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting

decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common

Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Washington Park neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the

Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.

3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. In the initial year, the City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition, a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed NID Plan.
6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the NID is created and the district board will be elected pursuant to section 3.E above.

B. Petition against Creation of the NID

The City may not create the Neighborhood Improvement District if, within 30 days of the City Plan Commission's hearing, a petition is filed with the City containing signatures of:

Owners of property to be assessed under the proposed initial Operating Plan having a valuation equal to more than 50% of the valuation of all property to be assessed under the proposed initial Operating Plan, using the method of valuation specified in the proposed initial Operating Plan; or

Owners of property to be assessed under the proposed initial Operating Plan having an assessed valuation equal to more than 40% of the assessed valuation of all property to be assessed under the proposed Operating Plan.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the WP NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions.

Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the NID law.

In later years, the WP NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This WP NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the WP NID and this WP NID Operating Plan shall be amended to conform to the law without need of re-establishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this

NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

VII. Contraction with WP NID

Any contracting with the WP NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. Because such contracts shall not be for the construction of improvements or provision of materials. If the WP NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3) (c) Wis. Stats., shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis. Stats. The WP NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The WP NID may provide grant support to organizations that include the cost of staff, however, the WP NID shall not have employees directly and shall contract with a responsible party for any administration of grant funds.

WASHINGTON
PARK NID #3

ANNUAL REPORT

Washington Park NID #3

Introduction

Leadership and
Governance

Programs and
Services

Financial
Performance

Future Plans

The Mission

The objective of the WP NID is to provide assistance to homeowners, create jobs in the area, fund community projects, and create and implement a sustainable communities plan within the Washington Park neighborhood.

Leadership and Governance

WP NID 3

2024 Board of Directors

State law requires that the board be composed of at least five directors and that a majority of the board directors be owners or occupants of property within the district.

The Board of Directors for 2024 Washington Park NID 3

- Co-Chair Bobby McQuay
- Co-Chair Brittney Talley
- Treasurer David Bouchard
- Secretary Chelsie Mason
- Member Lamont Davis

Programs and Services

NID Homeowner Grants Program

The NID Homeowner Grants program in 2024 supported 6 projects. The primary goal of the program is to provide homeowners with the financial assistance needed to maintain and improve their homes, contributing to the overall health and stability of our communities. Most repairs were related to the health and safety of the occupants.

Cleaning and Environmental Services

Reliant Property Management (RPM) is a company that provides community conscience cleaning and environmental services for the Washington Park Neighborhood. RPM removed 60+ illegal dumpings and removes trash from between the boulevards in the Washington Park NID #3 neighborhood.

Quality of Life Initiatives Implementation

The Washington Park NID #3 strategically funds Quality of Life Initiative Implementation through the work of four community based organizations. The community partners provide services to include 7 neighborhood clean ups, youth programming, fatherhood support, and 20+ safe and informative family events within the Washington Park neighborhood.

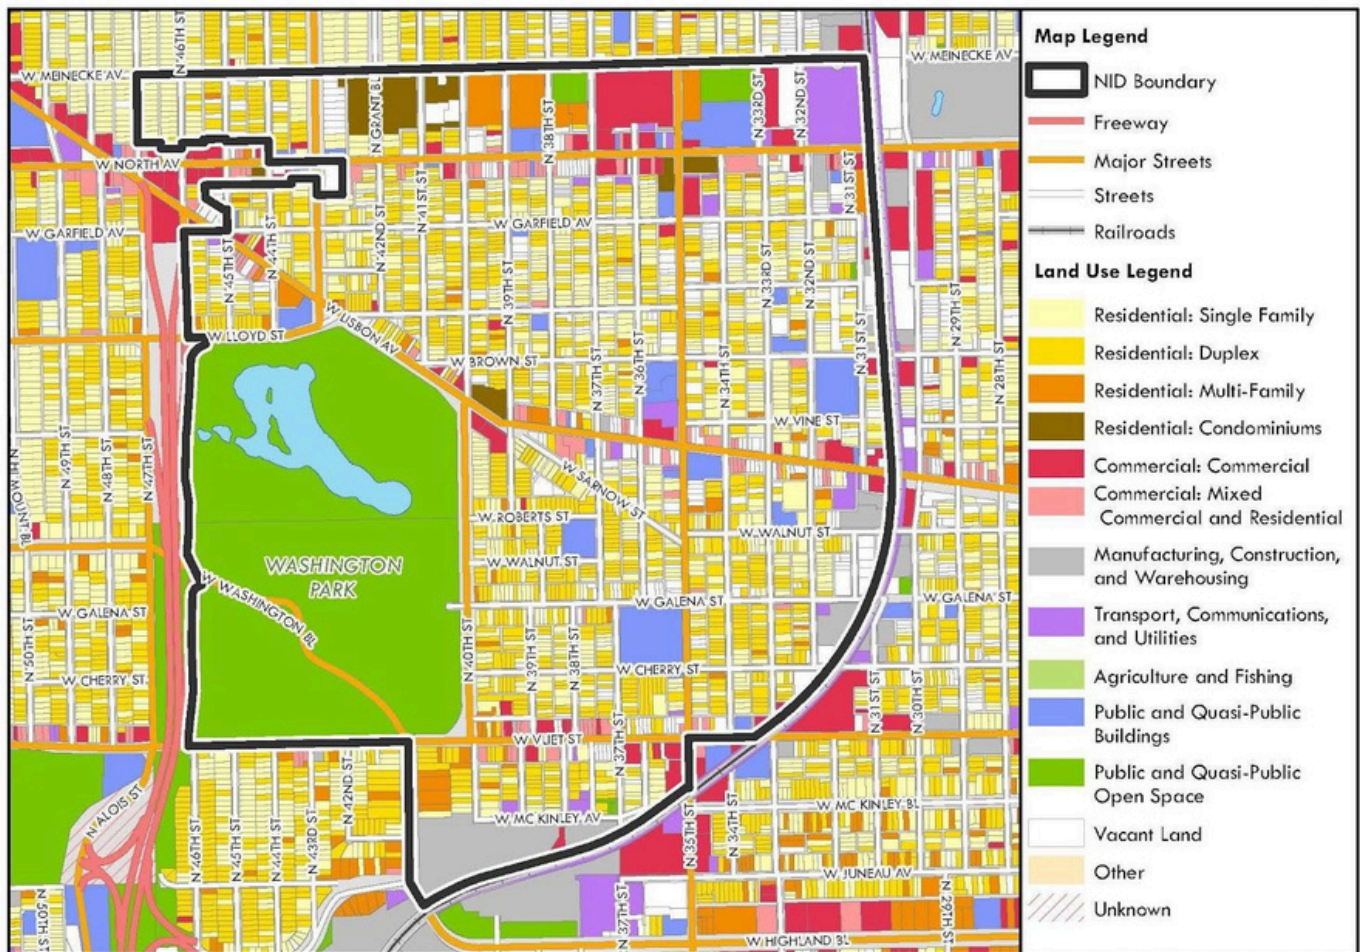

Our Service Area

The boundary for the Washington Park Neighborhood Improvement District ("WP NID") encompasses the areas designated as Washington Park and Walnut Hill, while also including small portions of the Metcalfe Park neighborhood. The east side of N. 47th Street, which frames U.S. 41, is the western boundary for the north portion of the WP NID, including the park; below the park the boundary of WP NID is the East side of 41st Street. The eastern boundary is defined by the 30th St. Industrial Corridor. The northern boundary is roughly Meinecke Avenue. The southern boundary is the 30th St. Corridor and Vliet Street. For a specific boundary, see Map.

What we've accomplished so far

The NID Homeowner Grants program in 2024 The WP NID supported **6 Home repair projects with \$75,000**. Total Funding Amount drawn down as of September 30th **\$44,801.32**. Currently in Progress Projects: **2 home repairs**. The largest funding was for essential home improvements, including plumbing, roofing, and window replacements. Significant contractors like Royalty Home Improvement, Green Homeowners United and Knight Plumbing have contributed significantly to the completion of these projects. We continued to partner with the City of Milwaukee NIDC program to amplify our effect in the homes.

Cleaning & Environmental Services by RPM (Reliant Property Management) participated in **1 neighborhood clean up** with Washington Park NID On 5.21.24. The Washington Park NID hosted a neighborhood cleanup and collected trash and place in a safe location in the community. RPM collected all the trash and disposed of it at the local dump. If there are any upcoming events and someone need our service we are available as part of the NID contract (NO Fee). As of September 30th, 2024, RPM has completed **30 trips to the city dump, abated 900 cubic yards of debris, and recycled 75 tires**, thanks to the continued financial support of **\$45,000** from WP NID.

Quality of Life Initiatives Implementation In 2024 the Washington Park NID chose to conduct it's outreach and fund programs and events that enhance the quality of life for families living in the Washington Park neighborhood by providing funding support to the following community based organizations: (UEC) Urban Ecology Center, (WORC) Working On Refining Communities, (FMP) Fathers Making Progress, and Rooted & Rising - Washington Park. Here is a summary of their accomplishment trough September 30th, 2024.

UEC - Mission is to connect people in cities to nature and each other. By doing this, we want to inspire generations to build environmental curiosity, understanding, and respect. We want to restore hope and heal our urban parks and community, neighborhood by neighborhood. The Washington Park Urban Ecology Center has provided programing and events that provide families the opportunity to engage in nature and health based programing and events. Financial support of **\$3,900** provided by the WP NID supported the following:

- Health & Wellness Fitness Series
- Health & Wellness Resource Expo
- Autumn Celebration
- Winterfest
- Healthy Cooking Community Demonstration
- Environmental & Social Justice Film Series
- Community Pies

WORC - A grassroots organization with a focus on connecting with families, event development and support, and supplying basic needs to the community. W.O.R.C organized a variety of community events to support residents and promote their well-being. Financial support of **\$12,000** provided by the WP NID supported the following:

- The initiative began with the distribution of resource bags containing a mission statement, calendar of upcoming events, snacks, stress relievers, and keychains with motivational quotes.
- In January, a winter giveaway provided hats, gloves, and refreshments to those in need, particularly the homeless.
- A collaboration with The Urban Ecology Center during Winterfest, where a resource table was set up.
- In May, the Westside Academy's Parent Recognition Fair featured a resource table with seventy-five individual banana puddings that were donated on behalf of W.O.R.C.
- A successful art session at the Washington Park Senior Center in June allowed seniors to participate in a sip and paint event, complete with all necessary materials such as canvases, mini easel, paint brushes, paint, a talented local artist, and refreshments.
- Volunteering at Rooted & Rising's block party.
- Host a Mental Health & Awareness Fair in July, which included refreshments and resources from other vendors.
- In August, various W.O.R.C volunteers assisted at a back-to-school event in partnership with Rooted and Rising, where WORC provided two hundred donated book bags.
- September focused on a coat drive, providing new and gently used coats, hats, gloves, refreshments along with candy bags, a resource table and volunteering for an event alongside Planned Parenthood for a resource event and movie night. These initiatives collectively aimed to enhance community engagement and support those in need throughout the year.

FMP - Mission is “to improve the community and generational cycles through strengthening fathers.” Our movement services families primarily through creating spaces of learning, support, and growth for fathers. The fathers we help become integral parts of their family and their communities. FMP works to ensure that fathers have an avenue to stand in the gaps to help their families be successful. Thanks to the generous support of the Washington Park NID grant of **\$9,000**, Fathers Making Progress was able to conduct its most impactful year ever in the Washington Park Neighborhood. Throughout the course of 2024 Fathers Making Progress has completed the following activities as of September 30, 2024.

- Hosted **3 sets 12-week cycles** of its Fathers Building Fathers Classes- By the end of the year we will have graduated over **40 dads**.
- Held a series of coaching and personal success sessions with **17 dads**
- Participated with or **held 4 clean ups** in the neighborhood.
- **Trained one neighborhood resident** as a facilitator of the classes.
- Canvassed neighborhoods providing information and resources to over **250 households**.

- Conducted resident porch surveys with over **50 residents** to inform future programming.
- Held **2 Pop Up events**
- Participated with **4** other neighborhood events
- Held a Job fair and Back to School event in collaboration with City of Milwaukee and Rooted and Rising.

Rooted & Rising - Washington Park - As an anchor institution of the neighborhood, Rooted & Rising pride ourselves on connecting individuals and families with resources to meet their basic needs so that they can focus on their goals for the future. As a cornerstone of the Washington Park neighborhood, we provide resources for quality, affordable housing, an early childhood education center, food security and basic needs, and community connectivity and engagement. Thanks to the generous **\$4,500** sponsorship from the WP NID for programing, R&RWP was able to positively impact the Washington Park neighborhood by:

- Coordinate **7 neighborhood clean ups** from April to September 2024, in partnership with residents, youth, volunteers, and partners. **169 volunteers** have collected **1,457 cubic yards** of trash, debris, furniture and construction material.
- R&RWP host the annual Community Block party and welcomed over **215 attendees** from the Washington Park neighborhood.
- R&RWP hosted the annual Chili Fest and Family Resource Fair which welcomed nearly **300 families and partners** to participate in a community cook off while families got connected to the community resources they need.
- Coming in November, R&RWP will host the annual Homeowner's Resource Fair in collaboration with the NID Annual End of Year Board Meeting. **\$2,000** of the \$4,500 is earmarked for this event to encourage homeowner participation.
- Rooted & Rising serves as both the fiscal agent for NID 3 for a fee of **\$10,200** and as of January, 2024 the function of management team for the WP NID #3 for the fee of **\$19,200**.

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors
Washington Park Neighborhood Improvement District
Milwaukee, Wisconsin

We have reviewed the accompanying financial statements of Washington Park Neighborhood Improvement District (a nonprofit organization), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Washington Park Neighborhood Improvement District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Ritz Holman LLP

Summarized Comparative Information

We previously reviewed Washington Park Neighborhood Improvement District's 2022 financial statements and in our conclusion dated September 28, 2023, stated that based on our review, we were not aware of any material modifications that should be made to the 2022 financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America. We are not aware of any material modifications that should be made to the summarized comparative information presented herein as of and for the year ended December 31, 2022, for it to be consistent with the reviewed financial statements from which it has been derived.

NOTE A - Summary of Significant Accounting Policies

Organization

Washington Park Neighborhood Improvement District (The "Organization") was organized under Wisconsin State Statute 66.1110. The statute provides for the formation of Neighborhood Improvement Districts (NIDs) upon the petition of at least one property owner in the district. The purpose of a NID is to revitalize and improve a neighborhood area in Milwaukee. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood lighting, distinctive signage, and pocket-parks, enhanced public green spaces and other activities as approved by the NID board.

Washington Park Neighborhood Improvement District is exempt from tax as an affiliate of a governmental unit under Section 501(a) of the Internal Revenue Code.

Accounting Method

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at fair value and are reported as increases in net assets. Contributions are considered available for the Organization's general operations and included in net assets without donor restrictions unless specifically restricted by a donor. A restricted contribution is reported in revenue and net assets without donor restrictions when the restriction is met within the same reporting period as the contribution is received. Contributions received restricted for a purpose not yet met or to support a future period are included in net assets with donor restrictions. When a donor restriction from a prior year expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Conditional contributions are not recognized as revenue until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated if the barrier is not overcome.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

NOTE A - Summary of Significant Accounting Policies (continued)

Contributions and Grant Revenue (continued)

When a donor requires the investment of a contribution and restricts the use of investment income, the investment income is reported as net assets with donor restrictions until appropriated for the designated time or use when the net assets are released to net assets without donor restrictions.

Functional Expenses

The Organization allocates costs directly to program or management when appropriate. All expenses are directly allocated based on the nature of the expense.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Leases

The Organization recognizes operating and finance leases in accordance with the *FASB Accounting Standards Codification* (ASC) 842. A lease exists when an organization has the right to control the use of property, plant or equipment over a lease term.

The lessee classifies a lease as either a finance or operating lease. The accounting of a finance lease is similar to when an asset is purchased. An operating lease is when the right-of-use of an asset exists over the lease-term, but that the lease doesn't meet the definition of a finance lease.

The Organization has elected to establish a threshold to exclude lease assets and obligations that are immaterial to the financial statements. The Organization recognizes individual lease assets and liabilities when they are greater than \$5,000. However, if the combined lease assets or liabilities for individually insignificant leases are greater than \$5,000, the Organization recognizes the lease assets and obligations. The Organization has elected not to apply the recognition requirements in ASC 842 to short-term leases (those with a term of 12 or less months) and no expected purchase at the end of the term.

NOTE B - Accounting Change

Accounting Standards Update 2016-13, Financial Instruments - Credit Losses (Topic 326) was effective for fiscal years beginning after December 15, 2022. The main objective of this update is to provide financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. To achieve this objective, the amendments in this update replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, including exploring more forward-looking alternatives. The implementation of this standard did not materially affect the financial statements.

NOTE C - Comparative Financial Information

The financial information shown for 2022 in the accompanying financial statements is included to provide a basis for comparison with 2023. The comparative information is summarized by total only, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity to generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2022, from which the summarized information was derived.

NOTE D - Liquidity

The Organization has \$53,171 of financial assets available for expenditures within one year of the statement of financial position. The organization expends funds in accordance with its annual operating plan which is submitted to the City of Milwaukee. Revenue from tax assessments is generally received by the end of February. Accordingly, the Organization intends to have liquid financial assets available to cover at least two months of expenditures.

NOTE E - Concentration of Revenue

The Organization receives property assessment income and grants from the City of Milwaukee. The Organization's operations rely on the availability of these funds. All of the Organization's revenue was from the City of Milwaukee for the year ended December 31, 2023.

NOTE F - Assessment Income

In order to provide revenues to support the Organization's mission, the Common Council of the City of Milwaukee enforced an assessment on property located within a specified area of the Washington Park Neighborhood. The assessment levied on residential properties was determined at a flat fixed fee of \$50 per unit, with a maximum assessment of \$500 per parcel. The assessment levied on commercial properties was determined at a flat fixed fee of \$100 per unit with a maximum assessment of \$500 per parcel as of December 31, 2023. The total assessment income for the year ended December 31, 2023, was \$158,250.

NOTE G - Management Arrangement

Under an agreement with United Methodist Children's Service, the Organization is provided with accounting, and administrative services. Under this contract, which is renewed annually, the annual charges were \$10,000 for the year ended December 31, 2023.

Under a separate agreement with Envision the Ladder, the Organization is provided with management services. Under this contract, which is renewed annually, the annual charges were \$22,800 for the year ended December 31, 2023.

NOTE H - Related Parties

The Organization contracts with a construction management company owned by a board member. The charges under this contract were \$12,181 for the year ended December 31, 2023.

NOTE I - Subsequent Events

The Organization has evaluated events and transactions occurring after December 31, 2023, through August 29, 2024, the date the financial statements are available to be issued, for possible adjustments to the financial statements or disclosures. The Organization has determined that no subsequent events need to be disclosed.
