Dear Attorney Ovbiagele:

We are in receipt of your October 21, 2024 subpoena requests for the October 22, 2024 hearing postponed at your request.

Notably there are many more requests than in the previous hearing. Several of these requests would significantly hamper public health and safety. Specifically, you request "All Milwaukee Fire Department Firefighters and First Responders of Med 5 and Engine 3" as well as eleven (11) Milwaukee Police officers some of whom only appeared on scene and had no direct involvement in the matter. The cost of servicing such requests would be substantial and we are preparing an exact cost estimate as the burden may shift at this costly, untimely, and likely cumulative evidence request.

Because this is a licensing matter and not a criminal matter we question the usefulness of these inclusions and are concerned about diverting public safety resources in this manner. Additionally, cumulative evidence is recognized in the Milwaukee Code of Ordinances relevant to these hearings.

If you would be willing to engage in a collaborative effort to limit these requests to those relevant witnesses, we would welcome such a chance.

Respectfully,

A handwritten signature in black ink, appearing to read "Travis J. Gresham".

**TRAVIS GRESHAM**  
Assistant City Attorney
