

To whom it may concern:

I Lena Roby received your decision and my claim amount was 1,000.00. It was on February 20, 2011 when back water from the sewer backed up on 4633 North 62nd Street. I am appeal the decision because it was cause by the backup in the sewer water. In I know that it was not on a schedule cleaning schedule. So, I think yall should had replace the damage that happen in my house. IF it was not a backup I would had not have a mass in my basement and my bath room. In I call a plumer out and he said it came from the sewer. In I think that was not right that yall did not help me out about clean the stuff up.

Thank you
 Lena Roby

I Lena Roby is writting the rest of my claim. I had lost my rug, panit came up, clothes, tv, kids clothes and toy, sofa. I lost all this down my bastment. I had just got it done all over from the flood in July. In it got in to my second floor bathroom. In I had to throw away my hole bathroom stuff a way. Now I had to clean it all over again. In I just get some clean_{ing} stuff to clean it up because it left bm on the floor and wall. So, I think it was a thousand dollar or more.
