To the Public Works Committee

Subject: Common Council Resolution File Number 101319

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 101319, being a resolution to amend a special privilege for addition of a covered walk, moveable planters and wooden bench to Dos Locos LLC for the premises at 2252-66 North Prospect Avenue.

The applicant is requesting permission to construct and maintain an 11-foot wide covered walk projecting into the public right-of-way at the 2215 East North Avenue entrance to the subject premises. A site visit revealed the presence of two moveable planters and a bench in the public way. Common Council Resolution File Number 070173, which was adopted in 2010, granted permission for a covered walk and ramped concrete step to occupy the public right-of-way. All of said items are located in the south, 17-foot wide sidewalk area of East North Avenue.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the special privilege for addition of a second covered walk, two moveable planters and a bench and allow said previously permitted items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
