Date issued 6/27/2025

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

All wood must be smooth and equivalent to #1 grade cedar or better for use in rear and side yards. Sections of fence forward of or in line with the primary building's front setback must be clear grain. Wood fences must be painted or stained upon completion. Note: when new, bare wood is left exposed to the exterior elements for a period of only a week or two, the life of the finish subsequently applied to it will be decreased.

All work must be done in a craftsman-like manner. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Historic Preservation staff as follows: Phone: (414) 286-5722 E-mail: hpc@milwaukee.gov.
