To the Public Works Committee

Subject: Common Council Resolution File Number 091544

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 091544, being a resolution to amend a special privilege for change of ownership to Lenox Street Properties, Inc for a storage silo, five dumpsters, a backup driveway and a ventilation duct for the premises at 2039 South Lenox Street.

Aluminum Casting and Engineering Company requested permission to install and maintain a storage silo, a security camera, five dumpsters, a backup driveway and a ventilation duct in the public right-of-way. Permission for said items was granted in 1994 under Common Council Resolution File Number 940480. Subsequently, the Milwaukee Code of Ordinances was revised so that the security cameras are now permitted to occupy the public right-of-way without a special privilege and, thus, the aforementioned security camera is not included in the attached resolution.

We are not aware that the presence of said items has had an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Ghassan Korban, Special Deputy
Commissioner of Public Works

Art Dahlberg, Commissioner
Department of Neighborhood Services
