RE: LAW ENFORCEMENT SPECIAL ASSIGNMENT GRANT AGREEMENT

Dear Chancellors Brown and Luljak:

I received your letter of August 3, 2011, requesting an additional extension to the Law Enforcement Special Assignment Grant Agreement between UWM and the Milwaukee Police Department. With this letter, the Milwaukee Police Department agrees to provide patrols for the UWM neighborhood from September 1 to October 30, 2011 on Thursday, Friday and Saturday nights. It is understood the University of Wisconsin-Milwaukee shall commit payment in an amount not to exceed \$25,000 for the Fall of 2011.

As requested, supervisors assigned to the First District will communicate with the UWM Police Department and other designated officials to provide information regarding this deployment and related activity. We look forward to continuing this partnership to address crime and disorder.

Sincerely,

  
EDWARD A. FLYNN  
CHIEF OF POLICE

Re: Law Enforcement Special Assignment Grant Agreement with UWM

Dear Chief Flynn:

By this letter, UWM requests an additional extension to the Law Enforcement Special Assignment Grant Agreement, similar to the extensions granted in 2005 through 2010. The specific periods for the extension would be from September 1 to October 30, 2011 (Fall of 2011), with the services of up to two sets of two officers each to be provided for a four-hour period (to be determined on a daily basis by MPD) between the hours of 5:00 p.m. and 4:00 a.m. Thursday, Friday, and Saturday nights. UWM will commit to pay for these services in an amount not to exceed \$25,000 for the Fall of 2011. UWM also intends to request an extension for the Spring of 2012, but will do so at a later time.

As agreed in prior years in prior years with District Five and now District One, our commitment for 2011-2012 is based on the following plan for cooperation:

- UWM will reimburse MPD for patrol services at a rate of 1½ times the top police officer pay rate.
- UWM's expenditures under this grant will be limited to 4 officers, each working up to 4 hours for the Thursday, Friday, and Saturday nights of the covered period. Any incident which arises that requires additional officers will be funded and provided by District One.
- The District One UWM-MPD Grant Patrol Sergeant will meet weekly with UWM police and other designated officials to provide accurate and up-to-date information following each deployment. In particular, the District One Sergeant will share information about arrests and citations (including names and student status) and locations of incidents for the purpose of university intervention or other responsive action. These meetings will also provide an

opportunity to plan the next week's deployment, with a goal of providing maximum coverage with the resources that are available.

- Should it appear that MPD will reach the "not to exceed" amount listed above prior to the end dates for the Fall of 2011, MPD will notify UWM as early as possible and discuss options for proceeding. MPD will not charge UWM more than the amounts committed absent a modification to this letter signed by UWM.

Also, as we have previously noted, these additional patrols play an important part of our joint efforts to prevent all criminal activities that potentially jeopardize the safety and welfare of UWM students and community members, including robberies, purse snatchings, and break-ins of cars, as well as illegal underage drinking. By entering into this extension, we reaffirm our mutual commitment that the MPD officers assigned under this agreement are equally committed to addressing all types of crime that occur in our neighborhoods.

We also understand that no further Common Council action is necessary on this matter and that you may effectuate the change in terms through a letter response.

Sincerely,

Christy Brown  
Vice Chancellor for Finance & Administrative Affairs
