Mr. Cairni,

Yes, I do want to appeal this decision of yours. How is it that there was not a notice, yet it got fixed? I can barely keep up with my bills now, let alone spending money on fixing my car that was clearly the city's fault!

To Whom This May Concern:

On Tuesday Oct 18th, approx 9:45AM, I was driving West on Bluemound and at about 46th Street hit what seemed to be a manhole! My front right tire was no longer able to hold air. I took my car in only to find out that I had cracked the rim when I hit that hole. I contacted Alderman Murphey's office and was told to send this info to you for reimbursement of damages.
