Hello Ms. Schiller, I am writing to you to voice my opposition to the proposed developement by Trinitas on Keefe Ave. My concerns are noise, serious parking issues and the large scale "dorm" housing up to 700 people dropped in a neighborhood of duplexes and single family homes. I also believe that the area is zoned for light industrial. It should stay that way and that sort of job promoting development should be the focus. Please do not let this happen. Thank you, Mary Piering, resident of the 3400 block of Bremen St.
