RE: C.I. File No. 12-S-179

Dear Ms. Jackson:

We have received your claim for the amount of \$2,339.57 relating to the property damage you sustained on January 2, 2012 at your residence located at 4172 North 13<sup>th</sup> Street in Milwaukee, Wisconsin.

Our investigation reveals that on January 2, 2012 the Milwaukee Police Department served a "Knock" search warrant due to the prior arrest of Edlin Jackson for narcotics possession, and the possibility of narcotics being stored at 4172 North 13<sup>th</sup> Street. The search warrant involved lawful search of the entire residence (garage included), and any personal property on the premises. The Milwaukee Police Department executed a lawful search warrant which necessitated the search of the property. The actions of the Milwaukee Police Department in the investigation of this case were proper as it is mandatory to retrieve all evidence. Since the police were not negligent in this matter, the City of Milwaukee would not be liable. Therefore, we are denying your claim.

The first contact that I had with the officers listed on the complaint form was on 1-1-2012 at Appox. 7pm, when they approached me in the driveway of my home, stating that they had just Arrested my husband Edlin Jackson , and found powder cocaine in his possession (Note: Edlin Age 49, at the time had no criminal record what so ever). Edlin did admit to the officers during the arrest that he did use cocaine, however they stated that they wanted to search our home( do a Walk through") to check out whether or not drugs were inside the residence. I declined to let The officers in the house since my children and other family members were inside, and I didn't Feel comfortable having armed police officers walking around. On 1-2-12 at appox. 8pm the The same officers came to the front door of our home again, this time armed with assault Weapons , dogs etc. shouting "Milwaukee Police open the door"! I immediately opened the door,

And when they entered with their guns pointed directly at my head, I was ordered to get On the floor face down. I fully complied and was then asked who else was in the house. I stated That my son 13, my daughter 14 and her 13 and 14 yr. old girlfriends were all upstairs. The Officers then went to the bottom of the stairwell and yelled for the kids to come down one by One. As each one of the kids came down, the officers pointed their guns directly at them and Told them to walk down the stairs backwards with their hands behind them. As each child Reached the bottom of the stairs they were grabbed, handcuffed and searched. They were Then brought into the living room area of the house where I was already handcuffed and Sitting on the couch. The three girls were then told to kneel down on their knees with their Hands still cuffed behind them (Note: my 13 year old son was the only one that was not Handcuffed, he was placed sitting next to me on the couch). Then Officer Flannery stated to me "Remember Me? "You should have let us in last night and this would not have happened".

2-

Then he said (in front of the kids) "your Mom is going to jail", as though he found humor in Making the statement. Although the kids were very cooperative and obviously frighten they were still forced to remain handcuffed and on their knees the whole time.

Officer Flannery then started asking me questions (again in front of the kids) like, "Do you use Drugs? "Does your husband use drugs etc., until I finally said I needed legal representation. I was then taken into the kitchen and read the search warrant. When I asked "what happens When nothing is found"? The officer stated "Oh I'm sure we'll find something". I was then taken back into the living room with the kids. The parents of my daughters two friends were called and <sup>the</sup> remained handcuffed , until their parents arrived to see them that way. While my son was calling a family member to pick himself and my daughter up, Officer Flannery made the remark(directly to my son) "That if you can't reach anyone, I'm going to have to call social services, like he purposely wanted to intensify the fear that my children were already experi-encing. All of the officers present acted as though the whole situation was amusing , and like they were actually enjoying themselves. At this point , I became furious and stated that they were all "Cowards"! When the children had all been released to relatives, the officers then began searching the home "for drugs". The search from what I could hear, sounded like an act of vandalism. I could hear crashing and smashing sounds throughout the house. There were two officers (one male and one female) in the living/dinning room areas, where I was sitting, who were suppose to be looking for drugs but, were basically reading through my personal papers etc. (Note: they found and kept a copy of my payroll check stub and my business card).

When they did finally start looking through cabinets etc. the male officer broke an item right In front of me. Later on I was told I was going to jail. When I asked for what? I was told I was Being arrested for possession of cocaine. Note: According to the police report, the officers tested the substance that they "claimed they found" while I was still at the house during the the search, and the substance tested negative for being any type of drug, yet I was still arrested.

-3-

So why was I arrested?? I asked the officers John Schott (squad 945) and P.O. Andrew Molina who were going to transport me to the Milw. City Jail, if I could take my purse along,

I was told by the officers, that I wouldn't need it. Wouldn't need it ?? How would they know I wouldn't need it? I feel this statement was made by the officers Because they knew that I was being falsely arrested, and for reasons that were definitely Unsubstantiated (No drugs were ever found, yet I was still arrested). I was later transported to The Milw. County jail, and told that I was arrested for being the Keeper of a Drug House. Keeper Of a Drug House? Why and how could I be arrested for being the Keeper of a Drug House, if no Drugs were ever found in or outside of the home? And these officers knew this before I was Even told I was being arrested, and like It was stated in their own police report, they tested The substance that they so called found while at the home, and it tested negative for being any Type of drug. They didn't even have any drug paraphernalia listed as being part of the evidence. The evidence that they had listed in the report consisted only of photos (of my husband and Myself), several pieces of our mail, and the white powdery substance (which as I stated before Tested negative for being any type of drug).

I truly believe these officers came to our home with a malicious intent. They were angry That I had refuse to let them into our home on 1-1-2012, and decided to do whatever it took (in this case getting a search warrant) to humiliate me, terrorize my children, and to vandalize Our home. Since they knew I didn't have any type of arrest record of any kind(at age 49) they Decided to, Falsely arrest me , even though they clearly knew no charges would ever be filed (due to having No evidence to support the arrest) just to ensure that I would at the very least have an arrest

4-

Record (and a criminal one at that).

I've worked at my current job for over 23 years, but officer (Scott Kaiser) who Completed the police report, listed me as being unemployed, even though officers took one Of my Ceridian paycheck stubs and one of my business cards with them, and told me (In a threatening manner) that they were going to call my boss and inform my boss of what had Happened at my home. So why would the officer lie, and state that I was unemployed? Because he wanted to make it look like I didn't work and sold drugs for a living, so he lied about My employment status. He even listed my occupation as being that of a laborer, I've never Worked as a laborer. After having to spend two days in the Co. Jail (with no bail). I was released, And was just told I was free to go, no bail, no court date, no nothing, just you're free to go. However my property had been shipped out to the House of Corrections in Franklin, WI, so, I was forced to wear home some old street clothes that had been left by some former inmates.

What would I like to see happen? Well I would like the incident to be formally investigated. I would like all of the officers involved to be required to engage in some type of intensive Sensitivity training/or retraining. I would like the officers to be held accountable for their Unprofessional actions of: Making a false arrest, making false statements on a police report,

And for the very unprofessional way that my children, their friends and myself were treated (The unnecessary and insensitive comments that were made etc.). I would like My arrest record to be cleared, since there was clearly no reason to support my arrest, and

-5-

The arresting officers knew this prior to my arrest. I want my computer arrest record cleared  
As well, and my computer file blinded. I want my fingerprints, and all my mug shots cleared  
off all Records and turned over to me. My family and I would like to be reimbursed  
For the numerous items in our home that were purposely and unnecessarily destroyed,  
Damaged, and missing. For example: Mirrors were taken of the walls and broken, the photos of  
Our children that were in  
Frames, were smashed, numerous record albums and CD's were broken in half, vases, lamps,  
And other household items were just literally destroyed. Note: I have photos /video footage of  
The aftermath of this vandalistic search.

I truly hope that this matter will be looked into by the proper authorities, to ensure that other  
Families/citizens don't have to endure what my family had to endure. Our family, especially  
Our children are still suffering emotionally, because of the terrorizing actions of these officers,  
And, will probably have permanent emotional and mental scars, as a result of this nightmare.

Please contact me if there are questions or further information needed regarding this matter,  
And, I will look forward to a response, and to the outcome of this investigation.

Thank you,

Karen Jackson and family (Note: I can be contacted at 414-477-3020, or at 414-372-4869)

**SEARCH WARRANT SERVICE**

On Monday, January 2, 2012 at 8:10pm, officers of the Milwaukee Police Department's Tactical Enforcement Unit executed the "knock" search warrant. The Tactical Enforcement Unit was supervised by Sgt. The entry team consisted of P.O Steven KUSPA, P.O Thomas MAGLIO, P.O Michael LOPEZ, P.O Robert WILKINSON, P.O John IVY, P.O Rodolfo ALVARADO, P.O Brian CZARNECKI, P.O Lane GRADY, P.O Matthew TERPSTRA, P.O Michael MILLER and P.O Trevor DEBOER. It should be noted no forced entry was needed as the door was answered. Upon entry the Tactical Enforcement Unit encountered the below listed individuals:

Erin TISCHER and P.O Dave BETTIN), Squad 964(P.O Daniel ROBINSON, P.O Scott KAISER and myself. P.O John SCHOTT read the search warrant to all of the detained individuals and left a copy with Karen L. JACKSON.

Prior to conducting the search of the house, P.O Daniel ROBINSON took photos of the residence, inside and out. On the living room table was mail from WE Energies with the name of Karen JACKSON on it with the address of 4172 N. 13th St, Milwaukee, WI 53209. On a Tri-State bank statement, the names of Edlin JACKSON and Karen JACKSON were on it with the same address of 4172 N. 13th St, Milwaukee, WI. 53209. An IRS piece of mail with the name of Edlin JACKSON with the address of 4172 N. 13th St, Milwaukee, WI. 53209 was recovered and also 2 photographs of Karen and Edlin JACKSON were recovered as well. These items were recovered by P.O John SCHOTT and ultimately placed on MPD inventory number 580268.

P.O Andrew MOLINA and P.O Daniel ROBINSON conducted a search of the basement's "rec room". P.O ROBINSON recovered in what was a half bathroom, located in the middle of the "rec room" a brown napkin with a white powdery substance, along with 2 small pieces of aluminum foil. (paraphernalia) The white powdery substance was suspected cocaine base and turned over to me for testing. The pieces of aluminum foil were approximately 3 inches long and 2 inches wide. The aluminum foil is commonly used in the practice of smoking illegal narcotics, with the use of a lighter or some sort of flame source. The suspected cocaine base was ultimately field tested by me at the PAB using the NARK II 07 test, which yielded negative results. Two more tests were conducted and due to the inability to get a more clear and accurate reading, it was weighed and inventoried under MPD inventory number of 584198 and sent down to the Wisconsin State Crime Laboratory for additional testing. The total weight was 5.87 grams.

Due to the mail being recovered and multiple sources being used, it was found that Karen L. JACKSON was the owner of the residence. The City of Milwaukee property data was used and Karen L. JACKSON is the listed owner of the property. The amount of suspected cocaine is not consistent with personal use and more for street level sales. The suspected cocaine has a street level value of about \$587. Karen JACKSON was arrested and conveyed to PPS by Squad 965, P.O John SCHOTT and P.O Andrew MOLINA. Karen did not wish to make a statement regarding.

This case will be hand carried to the District Attorney's office on Wednesday, January 3, 2012.
