

APPEAL

3/7/13

To City ~~of~~ Attorney Grant F. Langley

CITY OF MILWAUKEE

Dear ~~Dear~~ AMY: 27 Langley,

CITY CLERK'S OFFICE

In answer to your invitation to appeal this decision, I accept. Please send me a date to appeal this decision.

What you stated in your letter is totally incorrect in regards to the disturbance in the alley, garbage can and garbage picking.

They did not investigate the incident at all. They did not take away the weapon and they saw it. They did not arrest him for assault and battery to a senior citizen, like the statue says. They did not listen to the tape recordings that was in Mr. Leiberman's possession. They did not know that I was legally in the alley, that the garbage cans were illegally on my property, they did not know that it was legal to go in the garbage cans. They did not know that I had a legal right to cry out after I was

assaulted. They did not know that the witness was his friend who was biased.

Mr. Heiberman had no subject matter jurisdiction over me (right or power) to tell me where to go, what to do or to say.

The police officers therefore had no subject matter jurisdiction over me (power) since I did not physically hurt them or their property which is what civil law calls for and therefore you have no subject matter jurisdiction over me (right or power) to pursue this frivolous case.

I accept your invitation. Please contact me as soon as possible

Very Truly yours

That you would ask for if this happened to you.
 I will leave it to your fair judgement.

I was hit by a 4 foot by 2 inch solid wooden pole by my neighbor. AT the immediate time of the assault there was no mark or pain that I could detect right away to my arm. But further on during the day my arm started throbbing and I took off my coat and shirt and I noticed a pretty good size wound.

I didn't seek medical attention because I couldn't afford it.

My wife was a partial witness and another neighbor was also a partial witness. They didn't see the actual blow but they heard the cursing and banging from the one that struck me.

The undersigned hereby makes a claim against the City, arising out of the circumstances described above.

Signed: Mrs. Ron Li StanisDate: 1-28-13

* For property damage claims you must obtain a minimum of two estimates.

On Nov. 28th at approximately 11:30 Am., I went to my neighbors garbage can which was in the alley to retrieve a book that was thrown out.

Mr. Leiberman my neighbor came out with a club and tried to hit me in the head but I blocked it with my arm and he smashed my arm.

The police came and refused to investigate or do their duty properly.

I told them I was hit by the club but I wasn't hurting that bad at the moment. They asked me if I wanted medical treatment or an ambulance and I said no I couldn't afford the charges.

A couple of hours later it started to aggravate me and was causing me quite a lot of pain.

I went to the 2nd district police station a couple of hours later and requested that they take a picture of my wound and take the weapon away from my neighbor and to change the ticket that my neighbor received from disorderly conduct to a felony assault and battery on a senior citizen and even make an arrest.

They refused to do all of the above.

This is not the first time I was physically assaulted by this neighbor.

The other time I was sprayed in the face with mace and the officers took away his mace and gave him a state charge of assault and battery.

The original officers on the scene were: police officer Graham Konish and police officer Nunez badge #
