To The City of Milwaukee,

My name is Diane Mejta-Mortimer and I want to make a claim for damage done to my home property located at 3807 N. 78<sup>th</sup> St. Milwaukee WI. 53222.

January 18<sup>th</sup> 2013 :

I noticed the sensor light on my garage had no plastic cover over the light bulb. The clear protective cover was broken into pieces. The big pieces were picked up and removed but the smaller pieces were left behind my green lid garbage can.

The light has been there for over 20 years and was never broke by the garbage men before. I noticed you now have new help.

January 22<sup>nd</sup> 2013 :

I called Public Works 9:57 am. to complain that my sensor light cover had been broken. I spoke to Chrystal who was quite sarcastic and had to put her personal opinion on what I was telling her. All I was asking is to place a complaint with someone who had the authority to help me. Finally she took my information and said someone will get back to me.

A week went by and nobody ever called me.

January 29<sup>th</sup> 2013:

I called Public Works again and asked for the supervisor to call me back. He did, and dropped off the instructions to file a claim.

Conclusion:

I spent much time running around town trying to find out how I can replace this plastic cover. The only answer was to replace it by purchasing a new light. I enclosed the receipt from Lowe's the total amount with tax is \$39.05.
