

File No. 130371. Resolution relating to a minor modification to the Detailed Planned Development known as Marquette University Valley Fields Complex, for seating, on land located on the north side of West Canal Street, west of North 16th Street, in the **8th Aldermanic District**. This minor modification was requested by Marquette University, and would permit replacement of an existing 1600 seat steel and wood bleacher structure with a 1200 - 1500 seat steel and aluminum structure that would include a press box at the top of the seating structure and storage space below.
