Asst. Quotes for Historic Milwaukee Bronze plaques: The seal will be impossible to duplicate on a cast bronze marker, unless the marker would be quite large (24" x 24") and we don't think that would be cost effective for a Hist. Commission. Cast Bronze Oval - NO SEAL - SITE OF FIRST EUROPEAN SETTLEMENT 14" x 10" = \$390.00 + Shipping and handling \$31.00 11" x 8" = \$246.00 + Shipping and handling \$23.00

**To do a QR code you would need to contact a company that can produce them in a vinyl sticky material and attach them directly to the plaque. we would cast an area that is raised maybe 2" x 2" and the QR code can be attached to that. We have done this with customers in the past and have not heard of any issues. The Bronze and Metal photo material is too shiny to get a good crisp image when trying to take a picture. There is no additional cost for this.
