Dear City Clerk
I paid several dollars to
have my bike fixed.

My phone number is 414-931-8093
and my name is Robert L
Reed Jr.

I was on the corner
of 35 and Lisbon when a ambulance
with it's siren on came
through the red light with the
siren on. A car with a lady
driving came through the green
light but she did not hear
the ambulance siren, she
got hit and was put into
the walk light and bus sign
she stopped at fire hydrant
but it also hit my bike and
bent the back wheel.

I have a hard time waiting
on the bus when I hear a
siren coming while I am
going to work now. I
think I should be paid
for the dramatic witnessing
of a accident, I think the
lady died. I think have post
dramatic stress from being so
close to this accident. This

happen on 11/04/2013 at 9:34:54
am on 35th street,
